

ACKNOWLEDGEMENT

First of all, the writer would like to praise God for His Love and grace that Has given health and wisdom to the author so this thesis can be completed properly in accordance with planned time.

This thesis is aimed at fulfilling a requirement to get the degree of Sarjana Pendidikan at Biology department, faculty Mathematics and natural science, State University of Medan. During the process of writing the thesis, the writer realized that she had many problems. Meanwhile, she has been given some suggestions, comments, academic guidance, and moral support from her advisor and others that she would like to express her sincere thanks.

She would like to express her great gratitude to Dr. Hj. Ely Djulia, M.Pd as her advisor for her generous assistance, guidance, advices and valuable time to read and discuss the thesis until it is completed. The author also would like thank profusely to Dr. rer. nat. Binari Manurung, M.Si., Syarifuddin, M.Sc, Ph.D., Dra. Martina Napitupulu, M.Sc, as the lecturer team of examiners for their suggestion and constructive criticisms for the revision of this thesis and Prof. Dr Herbert Sipahutar, M.S, M.Sc as her academic supervisor who has guided the author during academic program.

The greatest thanks and everlasting gratitude are fully addressed to her beloved parents Drs. P. Sitanggang, SE and H. Siahaan for their everlasting love, hopeful prayers in her life, and the entire moral and the financial support that have enabled her to finish her study. Her special thanks and admiration are also due to her beloved sisters and brother, Widya, Theresia, Erika, Okta and her special friend Yaredi for their love, Prayer and motivation.

Special thanks are extended to Alberto Colia as the headmaster of SMA Negeri 1 Berastagi, Mikhawati Tarigan as Biology teacher of grade 10 and Students of Class X-2 who received the presence of the author during research in this class

Last but not the least, many friends and professional colleagous namely ; Biology Bilingual Class 2008, THE ARCHER Group (Aisah, Winny, Sri Lestari,

and Uci), SYEVO Group of UKM KP MIPA (Bang Rambo, Meti, Keasy, and Tari), Debora, Siti Sumari, Raja Novi, Lisda Tumanggor, Nike Anatasia and those whose names can not be mentioned yet, who have inspired and encouraged her, during writing of this thesis.

The writer has tried to finish this thesis as good as possible, but she is aware there are still many weakness both of content and grammar of this thesis. Hopefully, this thesis would be useful to the reader.
