CHAPTER V

CONCLUSION AND SUGGESTION

A. Conclusion

After analyzing the data, conclusions are drawn as the following:

1) According to findings and discussions in previous chapter, the researcher concludes that the readers like the elements of the story in Maman Suherman's *Re:*.
2) The readers also give their reason in why they like the elements of the story in Maman Suherman's *Re:*.

B. Suggestion

In relation to the conclusion, suggestions are staged as the following:

1) Local literatures are valuable to develop students' cultural awareness since literary appreciation focuses on the role of readers. The students can explore the literary text as profound as possible and by reading local literature, the establishment of critical thinking can be emerged.
2) It is recommended that an investigation be conducted. An experimental study on the Readers' response to Maman Suherman's *Re:* can be implemented since reader response approach, as has been investigated by many researchers, can develop readers' literary appreciation and language skills.
