

APPENDIX LIST

	Pages
Appendix 1	Syllabus 53
Appendix 2	Analysis of Suitability the Chemistry Experiment Textbook Materials for Senior High School with 2013 Curriculum Content Standard on Buffer Solution Topics by Expert Team 60
Appendix 3	Questionnaire For Trial the Development of Innovative Experiment Module on Buffer Solution Topics 65
Appendix 4	Questionnaire Description Of Module Analysis Standardized (Trial) 65
Appendix 5	Result of Chemistry Guide Practicum Textbooks Analyzed by Expert 67
Appendix 6	Result of The Innovative Chemistry Module With Integration of Experiment by Lecturers 68
Appendix 7	Result of The Innovative Chemistry Module With Integration of Experiment by Teachers 69
Appendix 8	Result of The Innovative Chemistry Module With Integration of Experiment by Students 70
Appendix 9	The Result of Questionnaire Of Description Module Analysis Generally 71
Appendix 10	Innovative Chemistry Module with Integration of Experiment 72
Appendix 11	Research Documents 73
Appendix 12	Research Documentations 74
