

TABLES LIST

		Pages
Table 3.1	The average of validity instrument	30
Table 4.1	The Result of Analysis Book Code A on Topic Buffer Solution	32
Table 4.2	The Result of Analysis Book Code B on Topic Buffer Solution	34
Table 4.3	The Result of Analysis Book Code C on Topic Buffer Solution	36
Table 4.4	The Result of Analysis Book Code D on Topic Buffer Solution	38
Table 4.5	The Result of Analysis Book Code E on Topic Buffer Solution	40
Table 4.6	The Result Score of Chemistry Guide Practicum Analyzed	42
Table 4.7	Buffer Solution based on 2013 curriculum and the Short Description of Innovation that have been Integrated in Learning Material	43
Table 4.8	The Result of Questionnaire Innovative Chemistry Module with Integration of Experiment Module Standardization by Chemistry Lecturer	48
Table 4.9	The Result of Questionnaire Innovative Chemistry Module with Integration of Experiment Standardization by Chemistry Teacher	46
Table 4.10	The Result of Questionnaire Innovative Chemistry Module with Integration of Experiment Standardization by Student from SMA Negeri 2 Medan	48
Table 4.11	The Result of Questionnaire Innovative Chemistry Module with Integration of Experiment Standardization by Student from SMA Negeri 3 Medan	49
Table 4.12	The Result of Questionnaire Innovative Chemistry Module With Integration of Experiment Standardization by Student from SMA Negeri 11 Medan	50

Table 4.13	The Result of Questionnaire Innovative Chemistry Module with Integration of Experiment Standardization by Student from SMA Swasta Methodist 2 Medan	51
Table 4.14	The Result of Questionnaire Innovative Chemistry Module with Integration of Experiment Standardization by Student from SMA Swasta Raksana Medan	52
Table 4.15	The Average Score of Standardization Innovative Chemistry Module with Integration of Experiment by Student	53
Table 4.16	The Result of Questionnaire Innovative Chemistry Module with Integration of Experiment Standardization by Lecturer, Teachers, and Students	54
