LEMBAR PERSETUJUAN PENGESAHAN
KATA PENGANTAR............................................................................................ i
ABSTRAK .............................................................................................................. vi
DAFTAR ISI ........................................................................................................ vii
DAFTAR TABEL .................................................................................................. x
DAFTAR GAMBAR ............................................................................................ xi
DAFTAR LAMPIRAN ....................................................................................... xii

BAB I PENDAHULUAN ....................................................................................... 1
  1.1 Latar Belakang Masalah ...................................................................... 1
  1.2 Identifikasi Masalah ........................................................................... 10
  1.3 Pembatasan Masalah .......................................................................... 10
  1.4 Perumusan Masalah ........................................................................... 11
  1.5 Tujuan Penelitian ............................................................................... 11
  1.6 Manfaat Penelitian ............................................................................. 12

BAB II KAJIAN PUSTAKA ............................................................................... 14
  2.1 Kerangka Teoritis.............................................................................. 14
    2.1.1 Ketepatwaktuan (Timeliness)................................................... 14
    2.1.2 Pelaporan Keuangan Pemerintah .............................................. 16
      2.1.2.1 Defenisi Pelaporan Keuangan ..................................... 16
      2.1.2.2 Tujuan Pelaporan Keuangan ....................................... 17
      2.1.2.3 Peranan Pelaporan Keuangan ...................................... 18
      2.1.2.4 Karakteristik Laporan Keuangan ................................. 19
      2.1.2.5 Komponen Laporan Keuangan .................................... 20
      2.1.2.6 Pengguna Laporan Keuangan ....................................... 21
    2.1.3 Kualitas Sumber Daya Manusia .............................................. 22
      2.1.3.1 Pengertian Kualitas Sumber Daya Manusia ................ 22
      2.1.3.2 Pendidikan dan Pelatihan ............................................ 23
      2.1.3.3 Pengalaman Kerja ........................................................ 26
    2.1.4 Pemanfaatan Teknologi Informasi ........................................... 26
      2.1.4.1 Pengertian Teknologi Informasi .................................. 26
      2.1.4.2 Peranan Teknologi Informasi ...................................... 28
      2.1.4.3 Komponen Teknologi Informasi ......................... 28
      2.1.4.4 Jenis Teknologi Informasi Yang Digunakan................ 30
      2.1.4.5 Pemanfaatan Teknologi Informasi .............................. 31
      2.1.4.6 Faktor-Faktor Yang Mempengaruhi Pemanfaatan
      Teknologi Informasi .................................................. 32
    2.1.5 Sistem Pengendalian Intern Pemerintah .................................. 33
      2.1.5.1 Pengertian Sistem Pengendalian Intern Pemerintah.... 33
      2.1.5.2 Tujuan Sistem Pengendalian Intern Pemerintah ......... 34
      2.1.5.3 Komponen Sistem Pengendalian Intern Pemerintah... 35
2.2 Penelitian Terdahulu ................................................................. 36
2.3 Kerangka Berpikir ................................................................. 40
2.4 Hipotesis .............................................................................. 44

BAB III METODE PENELITIAN ......................................................... 46
3.1 Lokasi Dan Waktu Penelitian .................................................. 46
3.2 Populasi Dan Sampel ............................................................. 47
  3.2.1 Populasi ........................................................................... 47
  3.2.1 Sampel ............................................................................ 47
3.3 Jenis Dan Sumber Data ............................................................. 49
3.4 Variabel Penelitian Dan Defenisi Operasional ......................... 50
  3.4.1 Variabel Penelitian .......................................................... 50
  3.4.2 Defenisi Operasional ......................................................... 50
3.5 Teknik Pengumpulan Data ......................................................... 56
3.6 Teknik Analisis Data ............................................................... 57
  3.6.1 Pengujian Kualitas Data ...................................................... 57
    3.6.1.1 Uji Validitas ............................................................... 57
    3.6.1.2 Reabilitas ................................................................. 58
  3.6.2 Uji Asumsi Klasik .............................................................. 58
    3.6.2.1 Uji Normalitas ........................................................... 59
    3.6.2.2 Uji Multikolinearitas ................................................... 59
    3.6.2.3 Uji Heterokedastisitas ............................................... 59
  3.6.3 Model Analisis Data ........................................................... 60
  3.6.4 Pengujian Hipotesis ............................................................ 61
    3.6.4.1 Uji Signifikan Parameter Individual (Uji Statistik t) .. 61
    3.6.4.2 Uji Signifikan Simultan (Uji-F) .................................. 62
    3.6.4.3. Uji Koefisien Determinasi (R²) ............................... 62

BAB IV HASIL PENELITIAN DAN PEMBAHASAN .................................... 64
4.1 Hasil Penelitian ....................................................................... 64
  4.1.1 Gambaran Umum Provinsi Sumatera Utara ...................... 64
  4.1.2 Gambaran Umum Responden ............................................ 66
  4.1.3 Hasil Analisis Data .......................................................... 67
    4.1.3.1 Analisis Statistik Deskriptif ......................................... 67
    4.1.3.2 Uji Kualitas Data ......................................................... 71
      4.1.3.2.1 Hasil Uji Validitas ................................................. 72
      4.1.3.2.2 Hasil Uji Reabilitas .............................................. 74
    4.1.3.3 Hasil Uji Asumsi Klasik ............................................ 74
      4.1.3.3.1 Hasil Uji Normalitas ............................................ 74
      4.1.3.3.2 Uji Multikolinearitas ............................................ 75
      4.1.3.3.3 Hasil Uji Heterokedastisitas ................................. 76
    4.1.3.4 Hasil Uji Analisis Regresi Berganda ......................... 77
    4.1.3.5 Hasil Uji Hipotesis ...................................................... 80
      4.1.3.5.1 Uji Parsial (Uji t) ............................................... 80
      4.1.3.5.1 Uji Simultan (Uji F) ........................................... 81
      4.1.3.5.2 Uji Koefisien Determinasi (R) ............................. 82
4.2 Pembahasan Hasil Penelitian ............................................................. 83
   4.2.1 Pengaruh Kualitas Sumber Daya Manusia, Terhadap Ketepatwaktuan Pelaporan Keuangan Pemerintah Daerah... 83
   4.2.2 Pengaruh Pemanfaatan Teknologi Informasi Terhadap Ketepatwaktuan Pelaporan Keuangan Pemerintah Daerah... 84
   4.2.3 Pengaruh Sistem Pengendalian Intern Pemerintah Terhadap Ketepatwaktuan Pelaporan Keuangan Pemerintah Daerah... 85
   4.2.4 Pengaruh Kualitas Sumber Daya Manusia, Pemanfaatan Teknologi Informasi, Dan Ssitem Pengendalian Intern Pemerintah Terhadap Ketepatwaktuan Pelaporan Keuangan Pemerintah Daerah... 86

BAB V KESIMPULAN DAN SARAN ............................................................... 88
    5.1 Kesimpulan .................................................................................. 88
    5.2 Keterbatasan Penelitian .................................................................. 89
    5.3 Saran ........................................................................................... 90
