BAB I PENDAHULUAN

1.1 Latar Belakang Masalah .................................................................................... 1
1.2 Identifikasi Masalah .......................................................................................... 4
1.3 Pembatasan Masalah ....................................................................................... 4
1.4 Rumusan Masalah ........................................................................................... 5
1.5 Tujuan Penelitian ............................................................................................. 5
1.6 Manfaat Penelitian .......................................................................................... 5

BAB II KAJIAN PUSTAKA

2.1 Kerangka Teoritis ............................................................................................. 7
2.1.1 Pengertian Variasi Mengajar .................................................................... 7
2.1.2 Tujuan Mengadakan Variasi Mengajar ..................................................... 8
2.1.3 Prinsip Mengadakan Variasi Mengajar ..................................................... 11
2.1.4 Komponen Keterampilan Mengadakan Variasi Mengajar ......... 13
   2.1.4.1 Variasi Guru Dalam Mengajar ....................................................... 14
   2.1.4.2 Variasi Dalam Penggunaan Media dan Alat
   Pengajaran ........................................................................................................... 16
   2.1.4.3 Variasi Pola Interaksi antara Guru dan Siswa......................... 18
2.2 Prestasi Belajar
   2.2.1 Pengertian Prestasi Belajar ..................................................................... 21
   2.2.2 Faktor-faktor yang Mempengaruhi Prestasi Belajar................. 23
2.3 Penelitian Yang Relevan.................................................................................. 28
2.4 Kerangka Berpikir .......................................................................................... 29
BAB III METODOLOGI PENELITIAN

3.1 Lokasi Penelitian ............................................................................. 32
3.2 Populasi dan Sampel Penelitian ...................................................... 32
  3.2.1 Populasi .................................................................................. 32
  3.2.2 Sampel .................................................................................... 32
3.3 Variabel Penelitian dan Defenisi Operasional ................................ 33
  3.3.1 Variabel Penelitian ................................................................. 33
  3.3.2 Defenisi Operasional .............................................................. 33
3.4 Teknik Pengumpulan Data. ........................................................... 34
  3.4.1 Observasi ................................................................................ 34
  3.4.2 Wawancara ............................................................................. 34
  3.4.3 Angket .................................................................................... 34
  3.4.4 Dokumentasi........................................................................... 36
3.5 Uji Instrumen ................................................................................... 36
  3.5.1 Uji Validitas Angket............................................................... 36
  3.5.2 Uji Reliabilitas Angket........................................................... 37
3.6 Teknik Analisis Data ....................................................................... 38
  3.6.1 Menghitung Koefisien Kolerasi .............................................. 38
  3.6.2 Menghitung Regresi Linier..................................................... 39
  3.6.2 Menguji Hipotesis ................................................................. 40

BAB IV. PENELITIAN DAN PEMBAHASAN .......................................... 41

4.1 Hasil Penelitian................................................................................. 41
  4.1.1 Keterampilan Guru Dalam Mengadakan Variasi Mengajar... 41
  4.1.2 Prestasi Belajar Siswa............................................................. 46
4.2 Analisis Data..................................................................................... 49
  4.2.1 Perhitungan Keofisien Korelasi............................................. 50
  4.2.2 Perhitungan Regresi Linier Sederhana ............................... 51
  4.2.3 Pengujian Hipotesis ............................................................... 55
4.3 Pembahasan Hasil Penelitian............................................................ 57
BAB V. KESIMPULAN DAN SARAN ........................................................ 59
   5.1 Kesimpulan ....................................................................................... 59
   5.2 Saran ................................................................................................. 60
