BAB I PENDAHULUAN ...................................................................... 1

1.1 Latar Belakang Masalah .......................................................... 1

1.2 Identifikasi Masalah ............................................................... 6

1.3 Pembatasan Masalah ............................................................... 6

1.4 Rumusan Masalah ................................................................. 6

1.5 Tujuan Penelitian ................................................................. 7

1.6 Manfaat Penelitian ............................................................... 7

BAB II KAJIAN PUSTAKA ................................................................. 9

2.1 Kerangka Teoritis ................................................................. 9

2.1.1 Pengertian Belajar ............................................................ 9
BAB III METODOLOGI PENELITIAN ......................... 39

3.1 Lokasi dan Waktu Penelitian ................................. 39

3.2 Populasi dan Sampel ............................................. 39

3.2.1 Populasi ............................................................... 39
3.2.2 Sampel ............................................................... 39

3.3 Variabel Penelitian dan Definisi Operasional ............. 40

3.3.1 Variabel Penelitian .............................................. 40
3.3.2 Definisi Operasional ............................................ 40

3.3.3 Rancangan Penelitian .......................................... 40

3.3.4 Prosedur Penelitian ............................................. 42
3.3.5 Instrumen Penelitian .......................................... 43

3.4 Teknik Pengumpulan Data ..................................... 44

3.5 Teknik Validasi Instrumen ................................ ..... 45

3.5.1 Uji Validitas Tes .................................................. 45
3.5.2 Uji Reabilitas Tes ............................................... 46
3.5.3 Uji Tingkat Kesukaran Soal .................................................47
3.5.4 Uji Daya Pembeda Soal......................................................48
3.6 Teknik Analisis Data.............................................................49
3.6.1 Menghitung Skor Rata-rata .............................................49
3.6.2 Menghitung Standart Deviasi .......................................49
3.6.3 Uji Normalitas ..............................................................50
3.6.4 Uji Homogenitas ...........................................................51
3.6.5 Uji Hipotesis .................................................................52

BAB IV HASIL PENELITIAN DAN PEMBAHASAN.....................54

4.1 Hasil Penelitian......................................................................54
4.2 Uji Instrumen Penelitian .........................................................55
4.2.1 Uji Validitas Tes...............................................................55
4.2.2 Uji Reabilitas Tes ............................................................58
4.2.3 Uji Tingkat Kesukaran Tes ..............................................59
4.2.4 Uji Daya Pembeda Soal....................................................61
4.3 Analisis Data........................................................................63
4.3.1 Uji Normalitas .................................................................63
4.3.2 Uji Homogenitas .............................................................64
4.3.3 Uji Hipotesis .................................................................64
4.4 Pembahasan Hasil Penelitian...............................................65
BAB V KESIMPULAN DAN SARAN ..................................................68

5.1 Kesimpulan ..............................................................................68
5.2 Saran ........................................................................................69
