BAB I PENDAHULUAN ......................................................................................................... 1

1.1 Latar Belakang Masalah ........................................................................................................... 1

1.2 Identifikasi Masalah ............................................................................................................... 6

1.3 Rumusan Masalah ................................................................................................................. 7

1.4 Pemecahan Masalah ............................................................................................................. 7

1.5 Tujuan Penelitian .................................................................................................................. 10

1.6 Manfaat Penelitian .............................................................................................................. 11

BAB II KAJIAN PUSTAKA ...................................................................................................... 13

2.1 Karangan Teoritis .................................................................................................................. 13

2.1.1 Model Pembelajaran Explicit Instruction ........................................................................ 13

2.1.2 Model Pembelajaran Lottery Card .................................................................................. 21

2.1.3 Penerapan Model Pembelajaran

Explicit Instruction dan Lottery Card ................................................................. 25
2.1.4 Aktivitas Belajar .................................................... 29
2.1.5 Hasil Belajar .......................................................... 31
2.2 Penelitian yang relevan ...................................................... 34
2.3 Kerangka Berfikir ............................................................ 37
2.4 Hipotesis Tindakan ............................................................ 39

BAB III METODE PENELITIAN ...................................................... 40

3.1 Lokasi Penelitian ............................................................... 40
3.2 Subjek Penelitian ............................................................... 40
3.3 Objek Penelitian ............................................................... 40
3.4 Definisi Operasional penelitian ......................................... 40
3.5 Prosedur Penelitian ............................................................ 41
3.6 Teknik Pengumpulan Data ................................................ 45
3.7 Teknik Analisis Data ........................................................... 47
3.8 Indikator Keberhasilan ...................................................... 51
3.8.1 Indikator proses ..................................................... 51
3.8.2 Indikator Output ..................................................... 51
3.8.3 Indikator Dampak .................................................. 51

BAB IV HASIL PENELITIAN DAN PEMBAHASAN ..................... 52

4.1 Deskripsi Hasil Penelitian .................................................. 52
4.1.1 Hasil Observasi ..................................................... 53
4.1.2 Hasil Tes Belajar ..................................................... 54
4.2 Analisis Data ................................................................. 56
4.3 Pembahasan Hasil Penelitian ........................................... 62
4.3.1 Hasil Penelitian Siklus I .............................................. 63

4.3.2 Hasil Penelitian Siklus II .............................................. 67

BAB V KESIMPULAN DAN SARAN ............................................ 72

5.1 Kesimpulan ......................................................................... 72

5.2 Saran ................................................................................ 73
