DAFTAR ISI

KATA PENGANTAR ........................................................................................................ i

ABSTRAK ................................................................................................................ iv

DAFTAR ISI ................................................................................................................ vi

BAB I PENDAHULUAN .......................................................................................... 1

1.1 Latar belakang Masalah ................................................................. 1

1.2 Identifikasi Masalah ...................................................................... 4

1.3 Rumusan Masalah .......................................................................... 5

1.4 Pemecahan Masalah ...................................................................... 5

1.5 Tujuan Penelitian .......................................................................... 7

1.6 Manfaat Penelitian ........................................................................ 7

BAB II KAJIAN PUSTAKA .................................................................................. 9

2.1 Kerangka Teoritis ........................................................................ 9

2.2 Penelitian yang Relevan ............................................................... 28

2.3 Kerangka Berpikir .......................................................................... 29

2.4 Hipotesis Tindakan ........................................................................ 30

BAB III METODOLOGI PENELITIAN ............................................................ 32

3.1 Lokasi Penelitian ........................................................................ 32

3.2 Subjek Penelitian ........................................................................ 32

3.3 Objek Penelitian ........................................................................... 32

3.4 Definisi Operasional ...................................................................... 32

3.5 Prosedur Penelitian ...................................................................... 33

3.6 Teknik Pengumpulan Data ............................................................ 39
3.7 Teknik Analisis Data ................................................................. 40

BAB IV HASIL PENELITIAN DAN PEMBAHASAN ......................... 44
4.1 Deskripsi Hasil Penelitian ....................................................... 44
4.2 Analisis Data ........................................................................... 47
4.3 Pembahasan Hasil Penelitian ................................................... 50
4.4 Pembuktian Hipotesis ............................................................... 57

BAB V KESIMPULAN DAN SARAN .............................................. 60
5.1 Kesimpulan ........................................................................... 60
5.2 Saran .................................................................................. 60

DAFTAR PUSTAKA ....................................................................... 62
