

ACKNOWLEDGEMENT

Alhamdulillah, in the name of Almighty ALLAH, the most Gracious and the most Merciful, first of all, the writer would like to thank God for His blessing in the completion of this Thesis. Praises are also addressed to our prophet Muhammad SAW who guided us to the better life.

The writer would like to express her deepest thanks and endless appreciation to her parents, Hamdani and Rozananur, thanks for their praying to him, their supports and endless loves. Their praying will bring her into the best future. They will be in her heart whenever and wherever her is.

The highest appreciation goes to his two advisors, Prof. Amrin Saragih, MA., Ph.D. as his first advisor and Dr. Eddy Setia, M.Ed, TESP as her second advisor for their patience with me during the production of drafts and revisions, their thoughtful guidance along the way, their encouragement and support of my research efforts.

Then, her appreciation also goes to Dr. Rahmad Husein, M.Ed. as the Head of English Applied Linguistics Study Program and Dr. Sri Minda Murni, SS., MS. as the Secretary of English Applied Linguistics Study Program who have assisted his in processing the administration requirements during the process of his studies in the postgraduate School of the State University of Medan.

The writer's profuse appreciation is also addressed to all of lecturers of the English Applied Linguistics Program of the Graduate Program of State University of Medan for their assistances and in valuable helps and knowledge when they was teaching in the class.

I am grateful for the strong support, shown in so many ways of friends of LTBI A3 XXIV for all the fun and valuable times have spent together during their study. Then, last but not least, hergratitude goes to herlover (her soldier) Serda Dedy Saputra who always give motivated and supported to conduct this Thesis.

Medan, 2016
