LEMBAR PERSETUJUAN DAN PENGESAHAN

KATA PENGANTAR ................................................................. i
ABSTRAK ................................................................................ iv
DAFTAR ISI ................................................................................ vi
DAFTAR TABEL ......................................................................... ix
DAFTAR GAMBAR ................................................................... x
DAFTAR LAMPIRAN ................................................................ xi

BAB I PENDAHULUAN .......................................................... 1
  1.1 Latar Belakang Masalah ..................................................... 1
  1.2 Identifikasi Masalah .......................................................... 5
  1.3 Pembatasan Masalah ...................................................... 6
  1.4 Rumusan Masalah ........................................................... 7
  1.5 Tujuan Penelitian ............................................................ 7
  1.6 Manfaat Penelitian .......................................................... 8

BAB II KAJIAN PUSTAKA ..................................................... 9
  2.1 Kerangka Teori ............................................................... 9
    2.1.1 Model pembelajaran Problem Based Instruction .......... 9
      2.1.1.1 Hakekat Model Pembelajaran Problem Based Instruction ........................................ 9
      2.1.1.2 Sintaks Model Pembelajaran Problem Based Instruction ........................................ 11
    2.1.2 Pendekatan Scientific ................................................ 16
      2.1.2.1 Pengertian Pendekatan Scientific ................................................ 16
      2.1.2.2 Sintaks Pendekatan Scientific ................................................ 18
    2.1.3 Motivasi Belajar ....................................................... 20
      2.1.3.1 Pengertian Motivasi Belajar ................................................ 20
4.2 Uji Instrumen Penelitian ............................................................ 56  
  4.2.1 Uji Validitas Tes dan Angket ................................................. 56  
  4.2.2 Uji Reliabilitas Tes dan Angket ............................................ 59  
  4.2.3 Tingkat Kesukaran Tes .......................................................... 60  
  4.2.4 Daya Pembeda Tes ............................................................... 60  
4.3 Analisa Data .............................................................................. 60  
  4.3.1 Rata-rata, Standar Deviasi dan Varians ............................... 60  
  4.3.2 Uji Normalitas ................................................................. 61  
  4.3.3 Uji Homogenitas .............................................................. 63  
  4.3.4 Uji Hipotesis ...................................................................... 65  
4.4 Pembahasan Hasil Penelitian .................................................... 66  

**BAB V KESIMPULAN DAN SARAN** ............................................ 73  

  5.1 Kesimpulan ............................................................................. 73  
  5.2 Saran ..................................................................................... 74
