BAB I PENDAHULUAN ...............................................................................1
   A. Latar Belakang ...........................................................................................1
   B. Identifikasi Masalah ................................................................................6
   C. Batasan Masalah ......................................................................................7
   D. Rumusan Masalah ....................................................................................7
   E. Tujuan Penelitian ....................................................................................8
   F. Manfaat Penelitian ...................................................................................8

BAB II KERANGKA TEORETIS, KERANGKA KONSEPTUAL,
   DAN HIPOTESIS PENELITIAN ......................................................... 10
   A. Kerangka Teoretis..................................................................................10
      1. Teknik Pembelajaran Tari Bambu (Bamboo Dancing) .......................10
         a. Langkah-langkah Teknik Pembelajaran Tari Bambu
            (Bamboo Dancing) ......................................................................11
         b. Kelebihan Teknik Pembelajaran Tari Bambu (Bamboo Dancing) . 12
         c. Kekurangan Teknik Pembelajaran Tari Bambu (Bamboo Dancing) . 13
      2. Pengertian Bercerita .............................................................................13
      3. Tujuan Bercerita ...................................................................................14
      4. Konsep Menceritakan Tokoh Idola .....................................................16
      5. Langkah-langkah Menceritakan Tokoh Idola ....................................17
      6. Karakteristik Cara Bercerita yang Baik .............................................19
      7. Aspek-aspek Penilaian Menceritakan Tokoh Idola ............................23
   B. Kerangka Konseptual..............................................................................24
   C. Hipotesis Penelitian ..............................................................................26
BAB III METODE PENELITIAN .................................................................27
A. Lokasi dan Waktu Penelitian .............................................................27
   1. Lokasi Penelitian ........................................................................27
   2. Waktu Penelitian ......................................................................27
B. Populasi dan Sampel Penelitian .......................................................27
   1. Populasi Penelitian .....................................................................27
   2. Sampel Penelitian .....................................................................28
C. Metode Penelitian ............................................................................29
D. Definisi Operasional Variabel Penelitian .........................................30
E. Desain Penelitian ...........................................................................31
F. Instrumen Penelitian ......................................................................32
G. Jalannya Eksperimen .....................................................................36
H. Organisasi Pengolahan Data .............................................................39
I. Teknik Analisis Data ........................................................................40

BAB VI HASIL PENELITIAN DAN PEMBAHASAN ..............................44
A. Hasil Penelitian ................................................................................44
   1. Kemampuan Menceritakan Tokoh Idola Sebelum Menggunakan Teknik Tari Bambu (Bamboo Dancing) (Pretest) ........................................................................45
   2. Kemampuan Menceritakan Tokoh Idola Sesudah Menggunakan Teknik Tari Bambu (Bamboo Dancing) (Posttest) ........................................................................48
   3. Pengaruh Teknik Tari Bambu (Bamboo Dancing) terhadap Kemampuan Menceritakan Tokoh Idola ........................................................................52
   4. Standar Eror Perbedaan Variabel X dan Variabel Y .......................53
B. Uji Persyaratan Analisis Data ..............................................................53
   1. Uji Normalitas ............................................................................53
      a. Uji Normalitas Kemampuan Menceritakan Tokoh Idola Sebelum Menggunakan Teknik Tari Bambu (Bamboo dancing) (Pretest) ........................................53
      b. Uji Normalitas Kemampuan Menceritakan Tokoh Idola Sebelum Menggunakan Teknik Tari Bambu (Bamboo Dancing) (Posttest) ........................................54
   2. Uji Homogenitas ........................................................................56
3. Uji Hipotesis ........................................................................................................56
C. Pembahasan Hasil Penelitian ........................................................................59

2. Kemampuan Menceritakan Tokoh Idola Siswa Kelas VII SMP Swasta Nurul Hasanah Medan Tahun Pembelajaran 2014/2015 Sesudah Menggunakan Teknik Tari Bambu (Bamboo Dancing) .................................................................63

BAB V KESIMPULAN DAN SARAN ......................................................................70
A. Kesimpulan ........................................................................................................70
B. Saran ................................................................................................................71
