

CHAPTER V

CONCLUSIONS AND SUGGESTIONS

A. Conclusions

Based on the result of the study, the conclusions are drawn as follows:

1. There is an improvement of students' writing hortatory exposition text achievement if it is taught by using PLEASE strategy. It is showed by the mean of the students in test I (49.88%), test II (64.90%), and test III (74.23%).
2. The students felt more enjoyable and interested in learning writing hortatory exposition text by using PLEASE strategy. It is showed by their enthusiasm in writing hortatory exposition text in the two cycles and their responds while they were asked about PLEASE strategy.

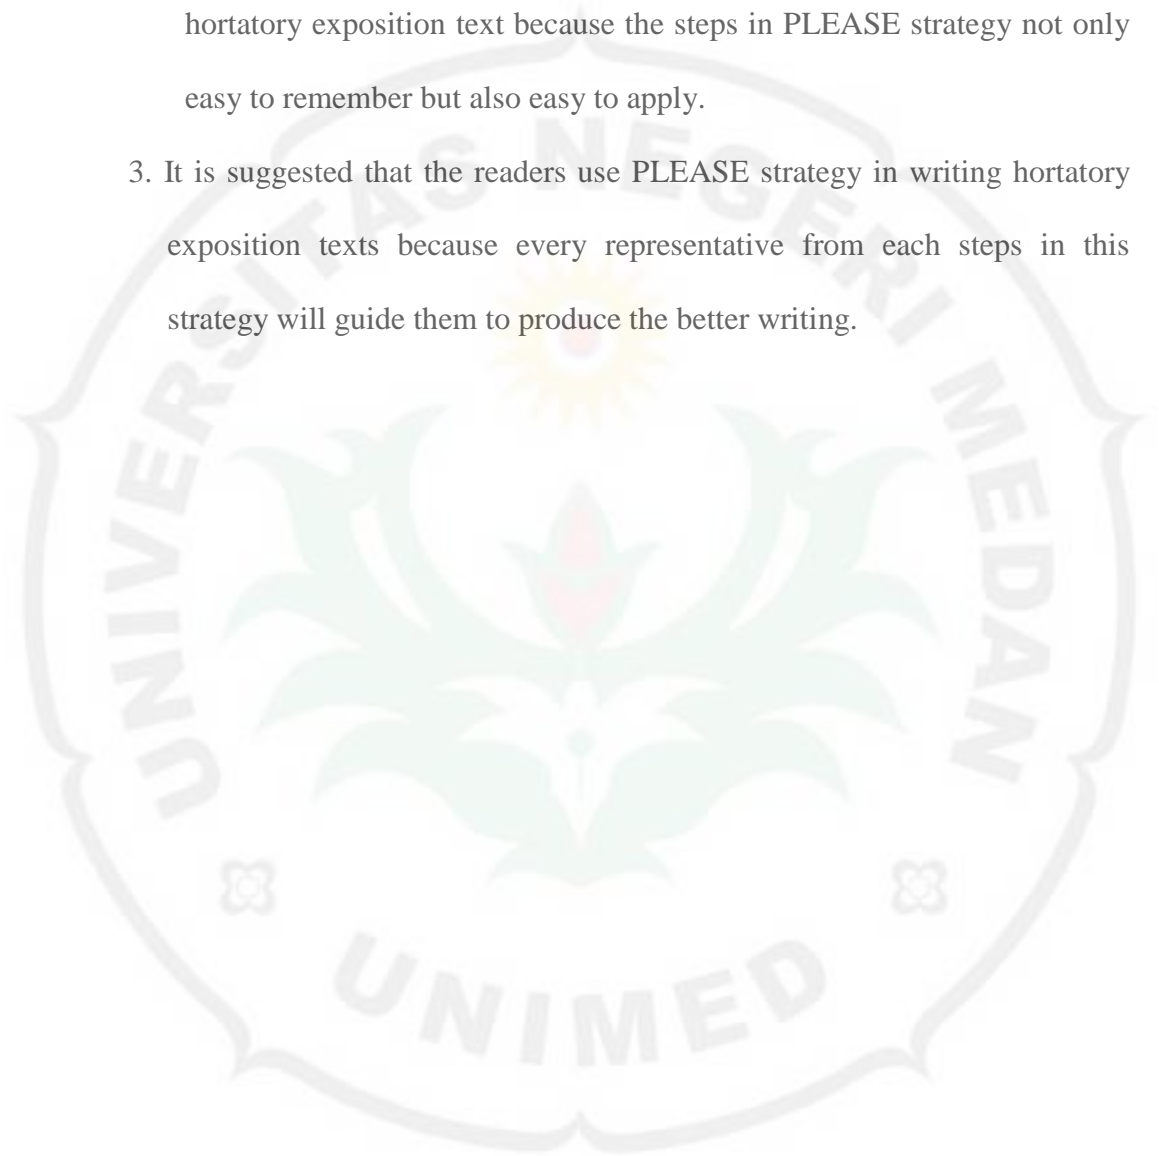

Therefore this strategy is useful for teachers in teaching hortatory exposition text.

B. Suggestions

Related to the conclusion given, some suggestions are pointed out as follows:

1. It is suggested that English teachers use PLEASE strategy to stimulate and motivate the students to be more creative and active to explore their ideas so that they can improve their students' achievement in writing hortatory exposition text.

2. It is suggested that the students apply PLEASE strategy while writing hortatory exposition text because the steps in PLEASE strategy not only easy to remember but also easy to apply.
3. It is suggested that the readers use PLEASE strategy in writing hortatory exposition texts because every representative from each steps in this strategy will guide them to produce the better writing.
