

CHAPTER V

CONCLUSION AND SUGGESTIONS

A. Conclusion

After analyzed the data ,it was concluded that the using of KWL Techniquesignificantly effect the students' achievement in reading narrative text, since $t\text{-test} > t\text{-table}(5,85 > 2,00, df=58 ;p=0,05)$. The using of KWL technique enable to improve and explore the students' ideas by maximize their own comprehension and develop their comprehension by use their prior knowledge as well.

B. Suggestion

Based on the finding it is suggested that:

1. English teacher use use the variations while teaching narrative text so the students can be enjoy and totally focus during the teaching-learning process such as KWL(know,want, learned) technique in teaching reading narrative text, because this technique can active the students' prior knowledge.
2. Teacher shoud be teached and make exercise of vocalulary to support teaching english especially teaching reading narrative text

3. The school and teacher should choose the best text book to support teaching reading narrative text
