

## CHAPTER V CONCLUSIONS AND SUGGESTIONS

### A. A Conclusion

After analyzing the data, conclusion are drawn as the following :

1. From the three types of reference proposed by Halliday and Hasan, all of that types are found in the destination chapters of *Eyeshield 21* comic book. The total of personal reference was 52%, demonstrative reference was 40%, and comparative reference was 8%. The most dominant type of reference is personal reference from the total term of reference in the five destination chapters.
2. Three patterns of uses reference are found in these five destination chapters of *Eyeshield 21* comic book. The total of anaphoric reference was 38.7%, cataphoric reference was 14.8%, and exophoric reference was 46.5%. The most dominant pattern is exophoric reference from the total term of reference in the five destination chapters.

## B. Suggestion

In relation to the conclusion, suggestion are staged as the following :

1. A writer and author to avoid the using of reduplication word when they write a text, because by knowing reference help them to deliver their ideas easily and make their text more easily understood and interesting.
2. The students of English Department should develop and increase their knowledge about application reference in some media such as comic, novel, magazine, etc.
3. Other researchers are suggested to make a more depth analysis of metaphor in other objects.
