iv
C. Instrument for Collecting Data.................................................................24
D. Scoring of the test.....................................................................................25
E. Procedure of Collecting Data .................................................................27
   1. Pre-test.................................................................................................27
   2. Treatment .........................................................................................28
   3. Post-test ............................................................................................29
F. Validity and Reliability of the Test ..........................................................29
   1. Validity of The Test ...........................................................................29
   2. Reliability of The Test .......................................................................30
G. Technique of Analyzing Data .................................................................31

CHAPTER IV: DATA ANALYSIS AND RESEARCH FINDINGS ............33
A. Data .........................................................................................................33
B. Data Analysis ........................................................................................35
   1. Testing Reability ...............................................................................35
   2. Analysing the Data Using t-test .......................................................36
C. Research Findings ..................................................................................38
D. Discussion ..............................................................................................38

CHAPTER V: CONCLUSION AND SUGGESTION.................................40
A. Conclusion ...........................................................................................40
B. Suggestions ..........................................................................................40
