DAFTAR LAMPIRAN .................................................................. xii

BAB I  PENDAHULUAN .............................................................. 1
   A. Latar Belakang Masalah ................................................... 1
   B. Identifikasi Masalah ....................................................... 7
   C. Pembatasan Masalah ..................................................... 7
   D. Perumusan Masalah ...................................................... 8
   E. Tujuan Penelitian .......................................................... 8
   F. Manfaat Penelitian ........................................................ 8

BAB II KAJIAN PUSTAKA ........................................................ 10
   A. Kerangka Teoritis .......................................................... 10
   B. Kerangka Berpikir ......................................................... 27

BAB III METODOLOGI PENELITIAN .................................... 29
   A. Lokasi Penelitian .......................................................... 29
   B. Populasi dan Sampel .................................................... 29
   C. Variabel Penelitian dan Defenisi Operasional ................. 29
   D. Teknik Pengumpulan Data ............................................ 31
   E. Teknik Analisa Data .................................................... 32

BAB IV DESKRIPSI DAERAH PENELITIAN .............................. 33
   A. Kondisi Fisik ............................................................... 33
   B. Kondisi Non Fisik ........................................................ 38
BAB V  HASIL PENELITIAN DAN PEMBAHASAN....................... 46
   A. Hasil Penelitian ............................................................. 46
   B. Pembahasan ................................................................. 72

BAB VI  KESIMPULAN DAN SARAN...................................... 81
   A. Kesimpulan ................................................................. 81
   B. Saran ........................................................................... 82
