ABSTRAK .............................................................................................................. i

KATA PENGANTAR ............................................................................................ ii

DAFTAR ISI ......................................................................................................... iv

DAFTAR TABEL .................................................................................................... viii

DAFTAR LAMPIRAN ........................................................................................... x

BAB I PENDAHULUAN ...................................................................................... 1

A. Latar Belakang Masalah ............................................................................. 1

B. Identifikasi Masalah ................................................................................... 7

C. Pembatasan Masalah .................................................................................. 7

D. Rumusan Masalah ...................................................................................... 8

E. Tujuan Penelitian ....................................................................................... 8

F. Manfaat Penelitian ..................................................................................... 9

BAB II KERANGKA TEORETIS, KERANGKA KONSEPTUAL, DAN HIPOTESIS PENELITIAN ........................................... 11

A. Kerangka Teoretis ...................................................................................... 11

1. Model Picture and Picture ........................................................................ 11

   a. Pengertian model picture and picture .................................................... 11

   b. Langkah-langkah model picture and picture ...................................... 12

c. Kelebihan model picture and picture .............................................. 13

d. Kekurangan model picture and picture ........................................... 14

2. Menulis Puisi ..................................................................................... 15

a. Hakekat Menulis ............................................................................ 15

b. Hakekat Puisi ................................................................................ 18

c. Jenis-jenis Puisi ............................................................................. 19

d. Ciri-ciri puisi ................................................................................ 20

e. Unsur-unsur puisi ......................................................................... 21

1) Unsur fisik .................................................................................... 21

a) Tata wajah (Tipografi) ................................................................. 21

b) Diksi (Pilihan kata) ..................................................................... 22

c) Pengimajian ................................................................................ 23

d) Pilihan kata konkret ................................................................. 23

e) Gaya bahasa (Majas) ................................................................. 24

f) Rima (Ritme) .............................................................................. 25

2) Unsur batin ................................................................................ 25

a) Tema .......................................................................................... 25

b) Perasaan .................................................................................... 26
H. Instrumen Penelitian ................................................................. 42

I. Teknik Analisis Data ............................................................... 45

BAB IV HASIL PENELITIAN DAN PEMBAHASAN ..................... 49

A. Hasil Penelitian ........................................................................ 49

1. Deskripsi data .......................................................................... 49

2. Uji Persyaratan Analisis Data ................................................. 61

3. Uji Hipotesis ........................................................................... 66

B. Pembahasan Hasil Penelitian .................................................... 67

BAB V SIMPULAN DAN SARAN ................................................ 74

A. Simpulan .................................................................................. 74

B. Saran ....................................................................................... 75
