1. Hubungan Motivasi Belajar Perbaikan Motor Otomotif dengan Sikap Berwiraswasta Khususnya Bidang Otomotif ................................. 37
2. Hubungan Prestasi Belajar Perbaikan Motor Otomotif Dengan Sikap Berwiraswasta Khususnya Bidang Otomotif ................................. 39
3. Hubungan Motivasi Belajar dan Prestasi Belajar Perbaikan Motor Otomotif dengan Sikap Berwiraswasta Khususnya Bidang Otomotif 40
C. Pengajuan Hipotesis ........................................................................ 41

BAB III METODOLOGI PENELITIAN
A. Tempat dan Waktu Penelitian ............................................................... 43
B. Populasi dan Sampel Penelitian .......................................................... 43
   1. Populasi ................................................................................................ 43
   2. Sampel ............................................................................................... 43
C. Metode Penelitian ................................................................................. 44
D. Definisi Operasional .............................................................................. 44
E. Teknik Pengumpulan Data .................................................................... 45
   1. Teknik Pengumpulan data Motivasi Belajar dan Sikap Berwiraswasta 45
   2. Teknik Pengumpulan Data Variabel Prestasi Belajar ........................ 48
F. Uji Coba Instrumen Penelitian .............................................................. 48
G. Teknik Analisis Data ............................................................................ 50
   1. Deskripsi data .................................................................................... 50
   2. Uji Kecenderungan .......................................................................... 51
   3. Uji Persyaratan analisis .................................................................... 51
BAB IV. HASIL PENELITIAN

A. Deskripsi Data Variabel Penelitian .................................................. 56
   1. Deskripsi data variabel Motivasi Belajar Perbaikan Motor Otomotif (X1) ................................................................. 56
   2. Deskripsi data variabel Prestasi Belajar Perbaikan Motor Otomotif (X2) ........................................................................... 57
   3. Deskripsi data Variabel Sikap Berwiraswasta (Y) ..................... 59
B. Uji Persyaratan Analisis ..................................................................... 60
C. Pengujian Hipotesis ......................................................................... 63
D. Temuan Penelitian .......................................................................... 65
E. Diskusi Penelitian ........................................................................... 66

BAB V. KESIMPULAN, IMPLIKASI DAN SARAN

A. Kesimpulan .................................................................................... 68
B. Implikasi ....................................................................................... 69
C. Saran ............................................................................................ 70
