ABSTRAK ......................................................................................................................... i
KATA PENGANTAR ........................................................................................................... ii
DAFTAR ISI ....................................................................................................................... iv
DAFTAR TABEL ................................................................................................................ vii
DAFTAR GAMBAR ......................................................................................................... viii
DAFTAR LAMPIRAN ....................................................................................................... ix

BAB I PENDAHULUAN .................................................................................................... 1
A. Latar Belakang Masalah ............................................................................................... 1
B. Identifikasi Masalah ..................................................................................................... 4
C. Batasan Masalah .......................................................................................................... 5
D. Rumusan Masalah ....................................................................................................... 5
E. Tujuan Penelitian ....................................................................................................... 5
F. Manfaat Penelitian .................................................................................................... 5

BAB II KERANGKA TEORETIS, KERANGKA KONSEPTUAL , DAN PERTANYAAN PENELITIAN......................................................................................................................... 7
A. Kerangka Teoretis ...................................................................................................... 7
   1. Kemampuan (ability) ............................................................................................. 7
      a. Pengertian Kemampuan ................................................................................... 7
      b. Jenis-Jenis Kemampuan .................................................................................. 8
      c. Faktor-Faktor yang Mempengaruhi Kemampuan ........................................ 9
      d. Pengaruh Kemampuan Siswa Terhadap Hasil Belajar ................................. 12
      e. Evaluai Hasil Belajar ...................................................................................... 13
BAB II MENJAWAB SOAL

2. Kemampuan Menjawab Soal ................................................................. 15

3. Ujian Nasional (UN) ............................................................................. 16
   a. Pengertian Ujian Nasional ............................................................... 16
   b. Tujuan dan Manfaat UN ................................................................. 17
   c. Penyusunan Naskah Soal UN ......................................................... 19
   d. Soal Bahasa Indonesia UN 2015 .................................................... 20
      1. Standar Kompetensi Lulusan (SKL)
         Bahasa Indonesia UN SMA 2015 ................................................ 20
      2. Analisis Kemampuan Menjawab Soal
         UN Bahasa Indonesia 2015 ......................................................... 21

BAB III METODOLOGI PENELITIAN ..................................................... 29

A. Lokasi dan Waktu Penelitian ............................................................. 29
   1. Lokasi Penelitian .............................................................................. 29
   2. Waktu Penelitian ............................................................................. 29

B. Populasi dan Sampel Penelitian .......................................................... 29
   1. Populasi Penelitian ......................................................................... 29
   2. Sampel Penelitian ........................................................................... 30

C. Metode Penelitian ............................................................................... 30

D. Instrumen Penelitian .......................................................................... 31

E. Teknik Pengumpulan Data .................................................................. 32
F. Desain Penelitian .................................................................................................. 33

G. Teknik Analisis Data ............................................................................................ 34

BAB IV HASIL PENELITIAN DAN PEMBAHASAN ........................................ 36

A. Hasil Penelitian ..................................................................................................... 36

1. Kemampuan Menjawab Soal Bahasa Indonesia UN 2015
   Siswa SMA Swasta Krakatau Medan Jurusan IPA
   Tahun Pembelajaran 2015/2016....................................................................... 36

2. Sebaran Tingkat Pemahaman Siswa Menjawab Soal
   Bahasa Indonesia Paket C Ujian Nasional 2015............................................39

B. Pembahasan Hasil Penelitian ........................................................................... 44

BAB V SIMPULAN DAN SARAN ........................................................................ 49

A. Simpulan .......................................................................................................... 49

B. Saran ................................................................................................................. 49
