BAB III METODOLOGI PENELITIAN .............................................................. 72

A. Tempat Dan Waktu Penelitian ................................................................. 72
B. Populasi Dan Sampel Penelitian ............................................................... 72
C. Metode Dan Desain Penelitian ................................................................. 75
D. Variable Dan Definisi Operasional Variabel Penelitian ......................... 77
E. Validitas Rancangan Penelitian ............................................................... 81
F. Prosedur dan Perlakuan Penelitian ........................................................... 82
G. Teknik dan Instrumen Pengumpulan Data .............................................. 84
H. Uji Coba Instrument ................................................................................ 86
I . Taknik Analisis Data ................................................................................ 91

BAB IV HASIL PENELITIAN DAN PEMBAHASAN ....................................... 95

A. Deskripsi Data penelitian ........................................................................ 95
B. Pengujian Persyaratan Analisis ............................................................... 107
   1. Uji Normalitas ................................................................................... 107
   2. Uji Homogenitas ................................................................................. 110
C. Pengujian Hipotesis ................................................................................. 113
D. Pembahasan Penelitian ............................................................................ 119
E. Keterbatasan Penelitian ........................................................................... 126

BAB V SIMPULAN, IMPLIKASI DAN SARAN ................................................ 127

A. Simpulan .................................................................................................. 127
B. Implikasi .................................................................................................. 128
C. Saran ........................................................................................................ 130
