LEMBAR PERSETUJUAN PEMBIMBING ...................................................... i
LEMBAR PERSETUJUAN DAN PENGESAHAN........................................... ii
KATA PENGANTAR................................................................................... iii
ABSTRAK .................................................................................................... vi
ABSTRACT ................................................................................................... vii
DAFTAR ISI.................................................................................................. viii
DAFTAR TABEL.......................................................................................... xi
DAFTAR LAMPIRAN ............................................................................... xii

BAB I PENDAHULUAN ............................................................................ 1
  1.1. Latar Belakang Masalah ................................................................. 1
  1.2. Identifikasi Masalah ..................................................................... 8
  1.3. Batasan Masalah ......................................................................... 8
  1.4. Rumusan Penelitian .................................................................. 9
  1.5. Tujuan Penelitian ...................................................................... 9
  1.6. Manfaat Penelitian ................................................................... 10

BAB II KAJIAN PUSTAKA ....................................................................... 11
  2.1. Kerangka Teori ......................................................................... 11
    2.1.1. Akreditasi Sekolah ............................................................... 11
      2.1.1.1. Pengertian Akreditasi .................................................. 11
      2.1.1.2. Pengertian Akreditasi Sekolah ................................... 12
      2.1.1.3. Tujuan Akreditasi Sekolah .......................................... 16
      2.1.1.4. Prinsip-Prinsip Akreditasi Sekolah .............................. 17
      2.1.1.5. Komponen-Komponen Akreditasi Sekolah ................ 19
      2.1.1.6. Prosedur Akreditasi Sekolah ..................................... 23
      2.1.1.7. Penentuan Peringkat Akreditasi Sekolah .................. 24
    2.1.2. Persepsi Guru Mengenai Supervisi Kepala Sekolah ............ 27
      2.1.2.1. Persepsi Guru ............................................................. 27
      2.1.2.2. Supervisi Kepala Sekolah ......................................... 30
        2.1.2.2.1. Hakikat Supervisi ............................................. 30
        2.1.2.2.2. Fungsi dan Tujuan Supervisi .............................. 34
BAB III METODOLOGI PENELITIAN .......................................................... 51

3.1.Lokasi Dan Waktu Penelitian .......................................................... 51
  3.1.1. Lokasi Penelitian ......................................................................... 51
  3.1.2. Waktu Penelitian ......................................................................... 51
3.2.Populasi dan Sampel ......................................................................... 51
  3.2.1. Populasi ....................................................................................... 51
  3.2.2. Sampel ......................................................................................... 53
3.3.Variabel Penelitian dan Defenisi Operasional .................................. 53
3.4.Teknik Pengumpulan Data ................................................................. 55
  3.4.1. Observasi ..................................................................................... 55
  3.4.2. Dokumentasi ............................................................................... 55
  3.4.3. Angket atau Kuesioner ............................................................... 56
3.5.Uji Instrumen ..................................................................................... 57
  3.5.1. Uji Validitas Angket .................................................................... 57
  3.5.2. Uji Reliabilitas Angket ............................................................... 58
3.6.Teknik Analisis Data .......................................................................... 59
  3.6.1. Uji Regresi Linier Berganda ....................................................... 59
  3.6.2. Uji Hipotesis Parsial (Uji T) ....................................................... 60
  3.6.3. Uji Hipotesis Simultan (Uji F) ................................................. 61
  3.6.4. Pengujian koefisien Determinasi .............................................. 63

BAB IV HASIL PENELITIAN DAN PEMBAHASAN ............................. 64

4.1.Hasil Penelitian .................................................................................. 64
  4.1.1. Sejarah Singkat Berdirinya Sekolah .............................................. 64
4.2.Uji Validitas Dan Reabilitas ................................................................. 65
  4.2.1. Uji Validitas Dan Reabilitas Variabel X_1 .................................. 65
  4.2.2. Uji Validitas Dan Reabilitas Variabel X_2 ................................. 67
4.2.3. Validitas Dan Reabilitas Variabel Y.................................69
4.3. Deskripsi Data Penelitian .................................................................71
  4.3.1. Akreditasi Sekolah ..........................................................72
  4.3.2. Persepsi Guru Mengenai Supervisi Kepala Sekolah......77
  4.3.3. Kinerja Guru...............................................................82
4.4. Analisis Data Hasil Penelitian .........................................................88
  4.4.1. Uji Asumsi Klasik ..........................................................88
  4.4.2. Uji Linearitas ..................................................................90
4.5. Uji Hipotesisis....................................................................................92
  4.5.1. Analisis Regresi Linear Berganda ..................................92
  4.5.2. Pengujiian Secara Parsial ................................................93
  4.5.3. Pengujiian Hipotesis Secara Simultan..............................95
  4.5.4. Koefisien Determinasi ....................................................96
4.6. Pembahasan Penelitian .................................................................97
  4.6.1. Pengaruh Variabel \(X_1\) Terhadap Variabel \(Y\) .............97
  4.6.2. Pengaruh Variabel \(X_2\) Terhadap Variabel \(Y\) .............99
  4.6.3. Pengaruh Variabel \(X_1\) Dan \(X_2\) Terhadap Variabel \(Y\) ....100
BAB V KESIMPULAN DAN SARAN .........................................................102
  5.1. Kesimpulan.............................................................................102
  5.2. Saran.......................................................................................103
