DAFTAR TABEL

Tabel 1.1  Persentase Nilai UTS Siswa .......................................................... 3
Tabel 2.1  Langkah-langkah Penerapan Model CTL .................................... 16
Tabel 3.1  Populasi Siswa Kelas X ............................................................... 36
Tabel 3.2  Sampel Penelitian ........................................................................ 37
Tabel 3.3  Desain Penelitian ......................................................................... 39
Tabel 4.1  Reliabilitas Instrumen ................................................................. 55
Tabel 4.2  Mean, Standar Deviasi, dan Varians Eksperimen I ...................... 57
Tabel 4.3  Mean, Standar Deviasi, dan Varians Eksperimen II ..................... 59
Tabel 4.4  Ringkasan Analisis Uji Normalitas Data ....................................... 60
Tabel 4.5  Ringkasan Analisis Uji Homogenitas Data ................................... 61
Tabel 4.6  Hasil Uji Hipotesis ..................................................................... 62
