# DAFTAR ISI

KATA PENGANTAR................................................................................................. i

ABSTRAK ............................................................................................................... v

DAFTAR ISI .......................................................................................................... vii

DAFTAR TABEL .................................................................................................... x

DAFTAR GAMBAR ................................................................................................. xi

DAFTAR LAMPIRAN ............................................................................................. xii

BAB I PENDAHULUAN ......................................................................................... 1

1.1. Latar Belakang Masalah .................................................................................. 1

1.2. Identifikasi Masalah ....................................................................................... 4

1.3. Pembatasan Masalah ..................................................................................... 5

1.4. Rumusan Masalah .......................................................................................... 5

1.5. Tujuan Penelitian .......................................................................................... 6

1.6. Manfaat Penelitian ....................................................................................... 6

BAB II KAJIAN PUSTAKA ..................................................................................... 7

2.1. Uraian Teori ................................................................................................... 7

2.1.1. Model Pembelajaran Problem Based Learning ........................................ 7

2.1.2. Strategi Pembelajaran Mastery Learning Strategy .................................. 13

2.1.3. Model Pembelajaran Problem Based Learning dengan Strategi

     Pembelajaran Mastery Learning Strategy ...................................................... 18

2.1.4. Perbedaan Model Pembelajaran Problem Based Learning dengan Strategi

     Pembelajaran Mastery Learning Strategy dan Model Pembelajaran Small

     Group Discussion .......................................................................................... 19
2.1.5. Hasil Belajar Akuntansi ...............................................................22
2.2. Penelitian Yang Relevan ...............................................................26
2.3. Kerangka Berpikir .................................................................28
2.4. Hipotesis Penelitian .................................................................30

BAB III METODOLOGI PENELITIAN ..........................................31
3.1. Lokasi dan Waktu Penelitian ..........................................................31
3.2. Populasi dan Sampel Penelitian ........................................................31
3.2.1. Populasi Penelitian .................................................................31
3.2.2. Sampel Penelitian .................................................................31
3.3. Variabel Penelitian dan Definisi Operasional ....................................32
3.3.1. Variabel Penelitian .................................................................32
3.3.2. Defenisi Operasional ..............................................................32
3.4. Rancangan Penelitian .................................................................33
3.5. Teknik Pengumpulan Data .............................................................37
3.5.1. Validitas Tes ...............................................................................37
3.5.2. Untuk Reliabilitas Tes ..............................................................38
3.5.3. Tingkat Kesukaran Soal ............................................................39
3.5.4. Daya Pembeda Soal .................................................................39
3.6. Teknik Analisis Data .................................................................40
3.6.1. Uji Normalitas ...........................................................................41
3.6.2. Uji Homogenitas ......................................................................42
3.6.3. Pengujian Hipotesis .................................................................42
BAB IV HASIL DAN PEMBAHASAN PENELITIAN

4.1 Deskripsi Hasil Penelitian

4.1.1 Uji Validitas Tes

4.1.2 Uji Reliabilitas Tes

4.1.3 Uji Daya Pembeda Tes

4.1.4 Indeks Kesukaran Tes

4.2 Analisis Data

4.2.1 Uji Normalitas Data

4.2.2 Uji Homogenitas Data

4.2.3 Uji Hipotesis

4.3 Pembahasan Hasil Penelitian

BAB V KESIMPULAN DAN SARAN

5.1 Kesimpulan

5.2 Saran
