BAB I PENDAHULUAN
A. Latar Belakang .......................................................................................................... 1
B. Identifikasi Masalah ................................................................................................... 7
C. Pembatasan Masalah ............................................................................................... 8
D. Rumusan Masalah ..................................................................................................... 8
E. Tujuan Penelitian ..................................................................................................... 9
F. Manfaat Penelitian .................................................................................................... 9

BAB II KAJIAN KEPUSTAKAAN, KERANGKA BERPIKIR DAN
PENGAJUAN HIPOTESIS
A. Deskripsi Teoritis .................................................................................................... 10
   1. Kinerja Guru ......................................................................................................... 10
   2. Gaya Kepemimpinan ......................................................................................... 18
   3. Kepuasan Kerja .................................................................................................... 35
B. Penelitian yang Relevan ....................................................................................... 41
C. Kerangka Berpikir ................................................................................................. 42
D. Hipotesis .................................................................................................................. 47

BAB III METODOLOGI PENELITIAN
A. Tempat dan Waktu Penelitian ............................................................................... 48
B. Metode Penelitian ................................................................................................... 48
C. Populasi dan Sampel ............................................................................................. 49
D. Variabel dan Definisi Operasional Variabel ......................................................... 51
E. Pengujian Validitas dan Reliabilitas Instrumen ..................................................... 55
F. Hasil Uji coba Instrumen ...................................................................................... 56
G. Prosedur Pengumpulan Data ........................................ 60
H. Jenis dan Sumber Data .................................................. 61
I. Teknik Analisis Data ...................................................... 61

BAB IV HASIL PENELITIAN
A. Deskripsi Data Hasil Penelitian ..................................... 66
   1. Gaya Kepemimpinan Kepala Sekolah ......................... 66
   2. Kepuasan Kerja Guru ............................................... 68
   3. Kinerja Guru .......................................................... 70
B. Pengujian Persyaratan Analisis .................................... 72
   1. Uji Normalitas ....................................................... 72
   2. Uji Homogenitas Varians ......................................... 73
C. Pengujian Hipotesis ..................................................... 74
   1. Kontribusi Gaya Kepemimpinan Kepala Sekolah (X1) 
      Terhadap Kinerja Guru (Y) .................................... 75
   2. Kontribusi Kepuasan Kerja Guru (X2) terhadap Kinerja 
      Guru (Y) ................................................................ 77
   3. Korelasi Gaya Kepemimpinan Kepala Sekolah (X1) 
      dengan Kepuasan Kerja Guru (X2) ....................... 79
   4. Kontribusi gaya Kepemimpinan Kepala Sekolah (X1) 
      secara bersama-sama dengan Kepuasan Kerja Guru (X2) 
      Terhadap Kinerja Guru (Y) ...................................... 80
D. Pembahasan Hasil Penelitian ......................................... 82
E. Keterbatasan Penelitian ................................................ 87

BAB V KESIMPULAN, IMPLIKASI DAN SARAN
A. Kesimpulan ................................................................ 89
B. Implikasi .................................................................... 90
C. Saran-saran .............................................................. 93
