## BAB I PENDAHULUAN

A. Latar Belakang Masalah........................................................................ 1
B. Identifikasi Masalah ................................................................. 4
C. Pembatasan Masalah........................................................................ 5
D. Rumusan Masalah............................................................................. 5
E. Tujuan Penelitian ........................................................................... 6
F. Manfaat Penelitian ........................................................................ 6

## BAB II KAJIAN PUSTAKA

A. Kerangka Teori................................................................................. 7
B. Penelitian Relevan .......................................................................... 26
C. Kerangka Berfikir ........................................................................... 30
BAB III METODOLOGI PENELITIAN

A. Lokasi Penelitian ...................................................................................... 32
B. Populasi dan sampel ................................................................................ 32
C. Variabel penelitian Dan Defenisi Operasional ........................................ 33
D. Teknik Pengumpulan Data ....................................................................... 35
E. Teknik analisa data ................................................................................... 37

BAB IV DESKRIPSI DAERAH PENELITIAN

A. Keadaan fisik ........................................................................................... 38
B. Keadaan non fisik .................................................................................... 42

BAB V HASIL PENELITIAN DAN PEMBAHASAN

A. Hasil Penelitian ....................................................................................... 50
B. Pembahasan ............................................................................................. 75

BAB VI KESIMPULAN DAN SARAN

A. Kesimpulan .............................................................................................. 81
B. Saran ........................................................................................................ 82

DAFTAR PUSTAKA .......................................................................................... 83

LAMPIRAN ....................................................................................................... 85
