LEMBAR PERSETUJUAN DAN PENGESAHAN ........................................... ii
KATA PENGANTAR .................................................................................... iii
ABSTRAK ........................................................................................................ vi
DAFTAR ISI ...................................................................................................... viii
DAFTAR TABEL ............................................................................................ xii
DAFTAR GAMBAR ........................................................................................ xiii
DAFTAR LAMPIRAN .................................................................................... xiv

BAB I PENDAHULUAN

1.1 Latar Belakang Masalah ........................................................................ 1
1.2 Identifikasi Masalah .............................................................................. 5
1.3 Pembatasan Masalah ........................................................................... 5
1.4 Rumusan Masalah ................................................................................. 6
1.5 Tujuan Penelitian ................................................................................... 6
1.6 Manfaat Penelitian ................................................................................. 7

BAB II KAJIAN PUSTAKA

2.1 Kajian Teoritis ........................................................................................ 8
  2.1.1 Hakekat Prestasi Belajar ................................................................. 8
  2.1.1.1 Pengertian Prestasi Belajar ekonomi ....................................... 8
  2.1.1.2 Faktor-Faktor Yang Mempengaruhi Prestasi Belajar .......... 10
  2.1.1.3 Hakekat Mata Pelajaran Ekonomi ......................................... 12
  2.1.2 Hakekat Media Internet ................................................................ 13
  2.1.2.1 Pengertian Media Internet ..................................................... 13
BAB III METODE PENELITIAN

3.1 Lokasi Dan Waktu Penelitian ............................................................. 36

3.2 Populasi Dan Sampel ....................................................................... 36
  3.2.1 Populasi .................................................................................. 36
  3.2.2 Sampel .................................................................................. 37

3.3 Variabel Penelitian Dan Defenisi Operasional ................................. 37
  3.3.1 Variabel Penelitian................................................................. 37
  3.3.2 Defenisi Operasional ............................................................ 38

3.4 Teknik Pengumpulan Data ............................................................... 38
  3.4.1 Dokumentasi ......................................................................... 39
  3.4.2 Angket .................................................................................. 39

3.5 Uji Instrumen Penelitian ................................................................. 40
  3.5.1 Uji Validitas Instrumen.......................................................... 41
3.5.2 Uji Reabilitas Instrumen ................................................................. 42
3.6 Teknik Analisis Data ........................................................................ 43
3.6.1 analisis regresi linier berganda ................................................... 43
3.6.2 Uji Ekonometrika ................................................................. 44
   3.6.2.1 uji normalitas ............................................................... 44
   3.6.2.2 uji linearitas .............................................................. 45
3.6.2.3 Uji Multikolineritas .............................................................. 45
3.6.2.4 Uji Heteroskedastisita ......................................................... 46
3.6.2.5 Uji koefisien determinasi \(R^2\) ........................................ 47
3.6.3 Uji Hipotesis ............................................................................. 48
   3.6.3.1 Pengujian Hipotesis Secara Parsial (Uji T) ...................... 48
   3.6.3.2 Pengujian Hipotesis Secara Simultan (Uji F) .................. 49

BAB VI HASIL PENELITIAN DAN PEMBAHASAN
4.1 Deskripsi Hasil Penelitian ............................................................... 50
   4.1.1 Hasil Uji Coba Instrumen ....................................................... 50
   4.1.2 Deskripsi Variabel Penggunaan Media Internet (X1) .......... 53
   4.1.3 Deskripsi Variabel Belajar Mandiri (X2) ............................ 57
   4.1.4 Deskripsi Variabel Prestasi Belajar Ekonomi (Y) .......... 61
4.2 Analisis Data Hasil Penelitian ........................................................... 62
   4.2.1 Analisis Regresi Linier Berganda ........................................... 62
   4.2.2 Uji Asumsi Klasik ............................................................. 64
      4.2.2.1 Uji Normalitas ............................................................ 64
      4.2.2.2 Uji Linieritas ............................................................... 65
      4.2.2.3 Uji Multikolinearitas ..................................................... 67
      4.2.2.4 Uji Heteroskedastisitas ................................................ 68
4.2.2.5 Perhitungan Determinasi ................................................................. 69
4.3 Uji Hipotesis ............................................................................................. 70
  4.3.1 Uji Signifikansi Parsial (Uji T) ........................................................ 70
  4.3.2 Uji Signifikansi Simultan (Uji F) ..................................................... 71
4.4 Pembahasan Hasil Penelitian ................................................................... 72

BAB V KESIMPULAN DAN SARAN

5.1 Kesimpulan ............................................................................................... 77
5.2 Saran ......................................................................................................... 78
