BAB I PENDAHULUAN ........................................................................ 1

1.1 Latar Belakang Masalah ........................................................... 1

1.2 Identifikasi Masalah ................................................................. 6

1.3 Batasan Masalah ....................................................................... 7

1.4 Rumusan Masalah ................................................................. 7

1.5 Tujuan Penelitian ................................................................. 8

1.6 Manfaat Penelitian ................................................................. 9

BAB II KAJIAN PUSTAKA ..................................................................... 10

2.1 Kerangka Teori ........................................................................... 10

2.1.1 Konsep Diri ..................................................................... 10

2.1.2 Persepsi Siswa Tentang Manajeman Kelas ..................... 19
2.1.3 Prestasi Belajar ................................................................. 28
2.2 Penelitian yang Relevan ...................................................... 33
2.3 Kerangka Berfikir ............................................................... 36
2.4 Hipotesis Penelitian ............................................................ 38

BAB III METODOLOGI PENELITIAN ................................................. 39

3.1 Lokasi dan Waktu Penelitian .................................................. 39
3.1.1 Lokasi Penelitian ............................................................ 39
3.1.2 Waktu Penelitian ............................................................ 39
3.2 Populasi dan Sampel ............................................................. 39
3.2.1 Populasi .................................................................. 39
3.2.2 Sampel .................................................................. 40
3.3 Variabel Penelitian dan Defenisi Operasional ...................... 40
3.3.1 Variabel Penelitian ....................................................... 40
3.3.2 Definisi Operasional .................................................... 40
3.4 Teknik Pengumpulan Data .................................................... 41
3.5 Uji Instrumen Penelitian ...................................................... 45
3.5.1 Validitas Angket .......................................................... 45
3.5.2 Reabilitas Angket ......................................................... 46
3.6 Teknik Analisis Data ............................................................ 47
3.6.1 Uji Asumsi ................................................................. 47
3.6.2 Uji Normalitas ............................................................. 47
3.6.3 Uji Linearitas ............................................................. 48
3.6.4 Uji Homegenitas ........................................................ 48
3.7  Tehnik Analisis Data ................................................................. 49
  3.7.1 Analisis Regresi Linier Berganda ................................. 49
  3.7.2 Perhitungan Determinasi (R²) ................................. 50
  3.7.3 Pengujian Hipotesis ...................................................... 51

BAB IV  HASIL DAN PEMBAHASAN ...................................................... 54
  4.1 Deskripsi Hasil Penelitian .................................................. 54
    4.1.1 Uji Validitas dan Reliabilitas ...................................... 54
    4.1.2 Deskripsi Data Penelitian ........................................... 58
  4.2 Analisis Data ......................................................................... 75
    4.2.1 Uji Asumsi Klasik ...................................................... 75
    4.2.2 Uji Regresi Linear Berganda ................................. 77
    4.2.3 Uji T ............................................................................. 78
    4.2.4 Uji F ............................................................................. 80
    4.2.5 Uji Determinasi ......................................................... 81
  4.3 Pembahasan dan Hasil Penelitian ........................................ 82

BAB V  KESIMPULAN DAN SARAN ...................................................... 86
  5.1 Kesimpulan ........................................................................ 86
  5.2 Saran .................................................................................. 87
