KATA PENGANTAR .................................................................................... ii
DAFTAR ISI .................................................................................................. iv
DAFTAR TABEL ........................................................................................... vi
DAFTAR GRAFIK ........................................................................................ vii
DAFTAR LAMPIRAN .................................................................................. viii

BAB I PENDAHULUAN
A. Latar Belakang ............................................................................ 1
B. Identifikasi Masalah ................................................................. 7
C. Pembatasan Masalah ................................................................. 8
D. Rumusan Masalah ................................................................. 8
E. Tujuan Penelitian ................................................................. 9
F. Kegunaan/Manfaat Penelitian ..................................................... 9

BAB II KAJIAN TEORI DAN HIPOTESIS
A. Deskripsi Teori ............................................................................ 10
   1. Motivasi Belajar ................................................................. 10
   2. Hasil Belajar Kewirausahaan ............................................ 16
B. Hasil Penelitian Relevan .......................................................... 28
C. Kerangka Berpikir ................................................................. 31
D. Hipotesis Penelitian ................................................................. 32

BAB III METODOLOGI PENELITIAN
A. Desain Penelitian ......................................................................... 34
B. Defenisii Operasional dan Variabel Penelitian .......................... 34
C. Populasi dan Sampel Penelitian .................................................. 35
D. Instrumen dan Teknik Pengumpulan Data ................................. 37
   1. Instrumen Penelitian.......................................................... 37
BAB IV HASIL PENELITIAN DAN PEMBAHASAN
  A. Hasil Penelitian .................................................................  56
  B. Deskripsi Data Penelitian ....................................................  56
  C. Analisis Statistik Hasil Penelitian ........................................  60
  D. Penguajian Hipotesis .............................................................  62
  E. Temuan Penelitian ...............................................................  62
  F. Pembahasan Hasil Penelitian ...............................................  63

BAB V KESIMPULAN DAN SARAN
  A. Kesimpulan ...........................................................................  66
  B. Saran .....................................................................................  67
