DAFTAR TABEL

Tabel 2.1 Tahap Motorik Kasar Anak ........................................................ 10
Tabel 3.1 Rancangan Penelitian ................................................................. 24
Tabel 3. 2 Kisi-kisi Lembar Observasi Anak ............................................. 27
Tabel 3.3 Jadwal Penelitian ....................................................................... 32
Tabel 4.1 Data Hasil Nilai Observasi Kelas Eksperimen ......................... 34
Tabel 4.2 Keadaan Hasil Observasi Kelas Eksperimen ............................ 35
Tabel 4.3 Data Hasil Nilai Observasi Kelas Kontrol ................................. 36
Tabel 4.4 Keadaan Hasil Observasi Kelas Kontrol .................................... 37
Tabel 4.5 Rangkuman Hasil Uji Normalitas Kelas Eksperimen dan
                            Kelas Kontrol ................................................................. 38
Tabel 4.6 Ringkasan Uji Homogenitas ..................................................... 40
Tabel 4.7 Hasil Hipotesis Dengan Uji-T ................................................. 40
