2.4 Hipotesis Tindakan ................................................................. 34

BAB III METODE PENELITIAN ...................................................... 35
3.1 Jenis Penelitian ........................................................................... 35
3.2 Subjek dan Objek Penelitian ...................................................... 35
3.3 Defenisi Variabel Penelitian ....................................................... 36
3.4 Desain Penelitian ...................................................................... 31
3.5 Prosedur Penelitian ................................................................... 38
3.6 Teknik Pengumpulan Data .......................................................... 41
3.7 Teknik Analisis Data ................................................................... 43
3.8 Lokasi dan Waktu Penelitian ....................................................... 44

BAB IV HASIL PENELITIAN DAN PEMBAHASAN .......................... 45
4.1 Deskripsi Hasil Pengamatan Awal .............................................. 45
4.2 Deskripsi Hasil Penelitian Siklus I .............................................. 49
  4.2.1 Perencanaan Tindakan Siklus I .............................................. 49
  4.2.2 Pelaksanaan Tindakan Siklus I .............................................. 50
  4.2.3 Pengamatan ........................................................................... 52
  4.2.4 Refleksi ................................................................................ 55
4.3 Deskripsi Hasil Penelitian Siklus II .............................................. 60
  4.3.1 Perencanaan Tindakan Siklus II .............................................. 60
  4.3.2 Pelaksanaan Tindakan Siklus II .............................................. 61
  4.3.3 Pengamatan ........................................................................... 63
  4.3.4 Refleksi ................................................................................ 66
4.4 Pembahasan Hasil Penelitian ...................................................... 70

BAB V KESIMPULAN DAN SARAN .................................................. 77
5.1 Kesimpulan ................................................................................. 77
5.2 Saran ......................................................................................... 78
