BAB I. PENDAHULUAN ................................................................................................. 1

1.1 Latar Belakang Masalah ......................................................................................... 1

1.2 Identifikasi Masalah ............................................................................................... 5

1.3 Pembatasan Masalah ............................................................................................. 6

1.4 Perumusan Masalah .............................................................................................. 6

1.5 Tujuan Penelitian .................................................................................................. 6

1.6 Manfaat Penelitian ............................................................................................... 7

BAB II. KAJIAN PUSTAKA ......................................................................................... 8

2.1 Kerangka Teori ....................................................................................................... 8

2.1.1 Prestasi Belajar Ekonomi .................................................................................. 8

2.1.1.1 Hakekat Prestasi Belajar ........................................................................... 8

2.1.1.2 Hakekat Pembelajaran Ekonomi ............................................................... 9

2.1.1.3 Prestasi Belajar Ekonomi .......................................................................... 10

2.1.1.4 Faktor- Faktor yang Mempengaruhi Prestasi Belajar Ekonomi 10

2.1.1.5 Mengukur Prestasi Belajar Ekonomi ......................................................... 12

2.1.2 Pemanfaatan Sumber Belajar .......................................................................... 13
2.1.2.1 Hakekat Sumber Belajar ............................................................ 13
2.1.2.2 Klasifikasi Sumber Belajar ........................................................ 14
2.1.2.3 Manfaat Sumber Belajar ............................................................ 23
2.1.2.4 Pemanfaatan Sumber Belajar ..................................................... 24
2.1.3 Motivasi ........................................................................................ 28
  2.1.3.1 Hakekat Motivasi Belajar ......................................................... 28
  2.1.3.2 Fungsi Motivasi Dalam Belajar ............................................... 30
  2.1.3.3 Jenis- Jenis Motivasi Belajar .................................................... 31
  2.1.3.4 Ciri- Ciri Siswa yang Memiliki Motivasi Belajar .................... 32
  2.1.3.5 Cara menumbuhkan Motivasi Belajar di Sekolah .................... 33
2.2 Penelitian Yang Relevan ...................................................................... 37
2.3 Kerangka Berpikir ................................................................................ 40
2.4 Hipotesis ............................................................................................... 43

BAB III. METODOLOGI PENELITIAN ......................................................... 44
  3.1 Lokasi Penelitian ................................................................................ 44
  3.2 Populasi dan Sampel ............................................................................ 44
    3.2.1 Populasi ........................................................................................ 44
    3.2.2 Sampel ........................................................................................ 44
  3.3 Variabel Penelitian dan Defenisi Operasional ..................................... 45
    3.3.1 Variabel Penelitian ......................................................................... 45
    3.3.2 Defenisi Operasional ...................................................................... 45
  3.4 Teknik Pengumpulan Data ................................................................... 46
  3.5 Uji Instrumen Penelitian ...................................................................... 48
    3.5.1 Uji Validitas Angket ...................................................................... 48
    3.5.2 Uji Reliabelitas Angket ................................................................. 49
4.2.2 Uji Linearitas ................................................................. 83
4.2.3 Uji Multikolinearitas ...................................................... 85
4.2.4 Uji Heterokedastisitas ................................................... 86
4.3 Tehnik Analisis Data ......................................................... 87
4.3.1 Analisis Regresi Linear Berganda .............................. 87
4.4 Uji Hipotesis ................................................................. 88
4.4.1 Uji Parsial ................................................................. 88
4.4.2 Uji Simultan ............................................................... 90
4.4.3 Uji Koefisien Determinasi ......................................... 91
4.5 Pembahasan Hasil Penelitian ......................................... 92
4.5.1 Pengaruh Pemanfaatan Sumber Belajar Terhadap Prestasi Belajar Ekonomi Siswa ................................. 92
4.5.2 Pengaruh Motivasi Belajar Terhadap Prestasi Belajar Ekonomi Siswa ................................................................. 93
4.5.3 Pengaruh Pemanfaatan Sumber Belajar dan Motivasi Belajar Terhadap Prestasi Belajar Ekonomi Siswa ....................... 93

BAB V KESIMPULAN DAN SARAN ................................................. 95
5.1 Kesimpulan ................................................................. 95
5.2 Saran ............................................................................. 96

DAFTAR TABEL

Tabel 1.1 Presentasi Ketuntasan Siswa ..................................................................... 1
Tabel 2.1 Sumber Belajar .......................................................................................... 22
Tabel 3.1 Jumlah Populasi ........................................................................................ 44
Tabel 3.2 Jumlah Sampel .......................................................................................... 45
Tabel 3.3 Lay Out Angket ......................................................................................... 47
Tabel 4.1 Hasil Perhitungan Uji Validitas Angket Pemanfaatan Sumber Belajar ..... 58
Tabel 4.2 Hasil Perhitungan Uji Reliabilitas Angket Pemanfaatan Sumber Belajar . 58
Tabel 4.3 Hasil Perhitungan Uji Validitas Angket Motivasi Belajar ....................... 59
Tabel 4.4 Hasil Perhitungan Uji Reliabilitas Angket Motivasi Belajar .................... 60
Tabel 4.5 Kategori Penelitian ................................................................................... 61
Tabel 4.6 Distribusi Frekuensi Jawaban Angket Pemanfaatan Sumber Belajar Berdasarkan Nomor Item Pernyataan ................................................................. 62
Tabel 4.7 Distribusi Frekuensi Variabel Pemanfaatan Sumber Belajar Berdasarkan Interval Persentasi Skor ............................................................................................ 66
Tabel 4.8 Perhitungan Kategori Kecenderungan Pemanfaatan Sumber Belajar....... 67
Tabel 4.9 Tingkat Kecenderungan Variabel Pemanfaatan Sumber Belajar ............... 68
Tabel 4.10 Distribusi Frekuensi Variabel Motivasi Belajar Berdasarkan Nomor Item Pernyataan ........................................................................................................... 74
Tabel 4.11 Distribusi Frekuensi Variabel Motivasi Belajar Berdasarkan Interval Persentasi Skor ........................................................................................................... 74
Tabel 4.12 Perhitungan Kecenderungan Motivasi Belajar ........................................ 75
Tabel 4.13 Tingkat Kecenderungan Variabel Pemanfaatan Sumber Belajar ............. 76
Tabel 4.14 Distribusi Frekuensi Variabel Prestasi Belajar .............................................78
Tabel 4.15 Perhitungan Kategori Kecenderungan Prestasi Belajar ...............................80
Tabel 4.16 Tingkat Kecenderungan Variabel Prestasi Belajar ......................................80
Tabel 4.17 Hasil Uji Normalitas Menggunakan Kolmogrov-Smirnov ..........................83
Tabel 4.18 Hasil Pengujian Linearitas $X_1$ Terhadap $Y$ ............................................84
Tabel 4.19 Hasil Pengujian Linearitas $X_2$ Terhadap $Y$ ............................................84
Tabel 4.20 Nilai Tolerance dan Nilai VIF ..................................................................85
Tabel 4.21 Hasil Perhitungan Regresi Linear Berganda ..............................................87
Tabel 4.22 Hasil Uji Parsial ......................................................................................89
Tabel 4.23 Hasil Uji Simultan ..................................................................................90
Tabel 2.24 Hasil Perhitungan Koefisien Determinasi ...............................................91
