BAB I I RINGKASAN 

2.1.1.2. Fungsi Disiplin .......................................................... 10
2.1.1.3. Sumber Pelanggaran Disiplin .................................. 11
2.1.1.4. Macam-Macam Disiplin Belajar ............................. 12
2.1.1.5. Indikator Disiplin Belajar ........................................ 13

2.1.2. Lingkungan Belajar ............................................................. 14
   2.1.2.1. Pengertian Lingkungan Belajar ......................... 14
   2.1.2.2. Macam-Macam Lingkungan Belajar ...................... 15
   2.1.2.3. Faktor-Faktor Keluarga ....................................... 16
   2.1.2.4. Fungsi Keluarga ................................ ...................... 17
   2.1.2.5. Faktor Masyarakat ................................ ............... 19
   2.1.2.6. Peranan Masyarakat dalam Pendidikan ............... 19

2.1.3. Prestasi Belajar ................................................................. 20
   2.1.3.1. Pengertian Prestasi Belajar ............................... 20
   2.1.3.2. Faktor-Faktor yang Mempengaruhi Prestasi Belajar .. 21

2.2. Penlitian Yang Relevan ........................................................... 25

2.3. Kerangka Berpikir ................................................................. 27

2.4. Hipotesis ........................................................................ 29

BAB III METODE PENLITIAN ..................................................... 30

3.1. Lokasi dan Waktu Penlitian ............................................... 30
   3.1.1. Lokasi Penelitian ..................................................... 30
   3.1.2. Waktu Penlitian ........................................................ 30

3.2. Populasi dan Sampel Penelitian ........................................... 30
3.2.1. Populasi Penelitian .............................................................. 30
3.2.2. Sampel Penelitian .............................................................. 31
3.3. Variabel Penelitian dan Defenisi Operasional ...................... 32
  3.3.1. Variabel Penelitian ......................................................... 32
  3.3.2. Defenisi Operasional ...................................................... 32
3.4. Teknik Pengumpulan Data ...................................................... 33
  3.4.1. Pengamatan (Observasi) ................................................... 33
  3.4.2. Dokumentasi ................................................................. 33
  3.4.3. Kuesioner (Angket) ......................................................... 33
3.5. Uji Coba Instrumen Penelitian ................................................. 34
  3.5.1. Uji Validitas Angket ......................................................... 35
  3.5.2. Uji Reabilitas Angket ....................................................... 36
3.6. Uji Asumsi Klasik .................................................................. 37
  3.6.1. Uji Normalitas ................................................................. 37
  3.6.2. Uji Linieritas ................................................................... 38
3.7. Teknik Analisis Data ............................................................... 39
  3.7.1. Analisis Regresi Linear Berganda .................................... 39
  3.7.2. Uji Hipotesis ................................................................. 40

BAB IV    HASIL PENELITIAN DAN PEMBAHASAN ...................... 43
4.1. Hasil Penelitian ..................................................................... 43
  4.1.1. Uji Instrumen Penelitian ............................................... 43
    4.1.1.1. Uji Validitas Dan Reliabilitas Disiplin Belajar .......... 43
    4.1.1.2. Uji Validitas Dan Reliabilitas Lingkungan Belajar 44
