DAFTAR ISI ........................................................................................................ i
KATA PENGANTAR ......................................................................................... ix
ABSTRAK ......................................................................................................... xiii

BAB I PENDAHULUAN

1.1 Latar Belakang Masalah ..................................................................... 1
1.2 Identifikasi Masalah ........................................................................... 4
1.3 Batasan Masalah ................................................................................. 4
1.4 Rumusan Masalah .............................................................................. 4
1.5 Tujuan Penelitian ............................................................................. 5
1.6 Manfaat Penelitian ............................................................................. 5

BAB II KERANGKA TEORITIS

2.1 Pengertian Belajar ............................................................................... 7
2.2 Pengertian Hasil Belajar ..................................................................... 8
2.3 Ciri-Ciri Hasil Belajar ......................................................................... 10
2.4 Faktor-Faktor yang mempengaruhi Hasil Belajar .............................. 11
2.5 Pengertian Model ............................................................................... 13
2.6 Pengertian Model SQ4R .................................................................... 13
2.7 Manfaat Model SQ4R ......................................................................... 15
2.8 Langkah-Langkah Model SQ4R ........................................................ 16
2.9 Kelebihan dan Kekurungan Model SQ4R ........................................... 17
2.10 Pembelajaran Bahasa Indonesia di SD .............................................. 18
BAB III METODE PENELITIAN

3.1 Lokasi dan Waktu Penelitian ....................................................... 28
3.2 Populasi dan Sampel Penelitian ..................................................... 28
3.3 Variabel Penelitian dan Definisi Operasional ............................... 29
3.4 Desain Penelitian ......................................................................... 30
3.5 Prosedur dan Pelaksanaan Penelitian ............................................ 31
3.6 Teknik Pengumpulan Data ............................................................ 34
3.7 Teknik Analisis Data ...................................................................... 37

BAB IV HASIL PENELITIAANDAN PEMBAHASAN

4.1 Deskripsi Data Hasil Penelitian ..................................................... 41
4.2 Hasil Uji Validitas Soal Test ............................................................ 41
4.3 Data Hasil Pre test dan Post test .................................................... 42
4.4 Data Nilai Pre Test Kelas Eksperimen dan Kelas Kontrol .............. 44
4.5 Data Nilai Post Test Kelas Eksperimen dan Kelas Kontrol .......... 45
4.6 Uji Normalitas ................................................................................ 47
4.7 Uji Homogenitas ............................................................................ 48
4.8 Uji Hipotesis .................................................................................. 48
4.9 Pembahasan Hasil Penelitian ........................................................ 49
BAB V KESIMPULAN DAN SARAN

5.1 Kesimpulan................................................................. 52

5.2 Saran................................................................. 53

DAFTAR PUSTAKA......................................................... 54
