Assalamualaikum Wr Wb

Good Morning, Salam Sejahtera, Praise to Allah the Almighty for all His blessing, where today we are here to participate in ‘The First Annual International Seminar on Transformative Education and Educational Leadership’ with the theme “Developing Future Teachers’ Education Model”.

Ladies and Gentlemen,
This seminar presents a keynote speaker, 5 guest speakers from Australia, Malaysia and Indonesia and 132 researchers covering lecturers, teachers and students with around 860 participants. The researchers come from Manado, Palu, Kendari, Malang, Surabaya, Solo, Bandung, Jakarta, Palembang, Jambi, Batam, Pekanbaru, Padang, Aceh, Medan and North Sumatera.

I would like to express greatest thankful to all colleagues in the steering committee for cooperation in administering and arranging the seminar. Hopefully this seminar will be continued in the coming years with many more insight articles from inspiring research.

Wassalamualaikum Wr. Wb.

Rahmad Husein
Welcoming Speech of Director of Postgraduate Study State University of Medan

Best wishes for all of us,

First of all thanks to God who has given grace and health to us so that we can assemble this place to attend The First Annual International Seminar on Transformative Education and Educational Leadership (AISTEEL) 2016. This seminar is organized by Postgraduate Study (PPs) of the State University of Medan (Unimed). Welcome to all keynote speakers, researchers, students and participants.

This international seminar is one of the manifestations of the vision and mission of PPs of Unimed, namely the dissemination and implementation of the results of research and studies related to the community. Therefore we strongly support the activities of this seminar which is also a series of academic activities of Unimed. Through this seminar, the participants will exchange information related to the latest research in the field of Transformative Education and Educational Leadership, which is expected to bring new ideas in solving various problems that arise particularly in the world of education.

In accordance with the theme presented in this seminar “Developing Future Teachers Education Model” it is expected that PPs Unimed can lead and strengthen the future teachers. The goal of transformative education is to develop visionary teachers and teacher educators to be capable of and committed to transforming education systems worldwide so that they prepare citizens with high-level abilities for solving global crises such as internationally political conflicts, climate change and loss of biocultural diversity.

Thank you for all committee to has well organized this seminar. Thanks to all keynote speakers who have attended, presented and shared their ideas on transformative education and educational leadership. Thanks to all researchers, students and participants and hopefully this will be scientific discussion to develop the future education.

Finally, I hope that all academicians and stakeholders of PPs Unimed hand-in-hand to excel our institution to be a world class university.

Best wishes for all of us

Director,

Prof. Dr. Bornok Sinaga, M.Pd
