DAFTAR TABEL ........................................................................................................ viii

DAFTAR GAMBAR .................................................................................................... ix

DAFTAR LAMPIRAN .................................................................................................. x

BAB I PENDAHULUAN
A. Latar Belakang Masalah ......................................................................................... 1
B. Identifikasi Masalah ............................................................................................... 7
C. Pembatasan Masalah ............................................................................................ 8
D. Rumusan Masalah ................................................................................................ 9
E. Tujuan Penelitian ................................................................................................ 9
F. Manfaat Penelitian .............................................................................................. 10

BAB II KAJIAN TEORITIS, KERANGKA BERPIKIR, DAN PENGAJUAN HIPOTESIS
A. Kajian Teoretis .................................................................................................... 11
   1. Hakekat Aktivitas dan Hasil Belajar Mekanika Teknik ................................. 11
   2. Hakekat Model Pembelajaran CORE ........................................................... 22
B. Kerangka Berpikir ............................................................................................... 29
C. Hipotesis Tindakan ............................................................................................ 32

BAB III METODOLOGI PENELITIAN
A. Lokasi dan Waktu Penelitian ............................................................................. 33
B. Subjek Dan Objek Penelitian ............................................................................. 33
C. Definisi Operasional .......................................................................................... 34
