DAFTAR ISI

Abstrak .......................................................................................................................... i
KATA PENGANTAR ....................................................................................................... ii
DAFTAR ISI .................................................................................................................... iii
DAFTAR TABEL ............................................................................................................... iv

BAB I  PENDAHULUAN
A. Latar Belakang Masalah .......................................................................................... 1
B. Identifikasi Masalah ................................................................................................. 7
C. Pembatasan Masalah ............................................................................................... 7
D. Rumusan masalah .................................................................................................... 8
E. Tujuan Penelitian ................................................................................................... 8
F. Manfaat Penelitian .................................................................................................. 8

BAB II
A. KAJIAN TEORI
   1. Peranan Orang Tua ............................................................................................ 10
   2. Kenakalan Remaja ............................................................................................. 18
   3. Remaja ................................................................................................................ 25
B. Kerangka Konseptual ............................................................................................. 29

BAB III : METODE PENELITIAN
A. Jenis Penelitian ........................................................................................................ 31
B. Populasi dan Sampel Penelitian ........................................................................... 31
C. Operasional Variabel Penelitian ........................................................................... 32
D. Teknik Pengumpulan Data ..................................................................................... 33
E. Teknik Analisis Data ............................................................................................... 34
F. Lokasi dan Waktu Penelitian ................................................................................ 35
BAB IV HASIL PENELITIAN DAN PEMBAHASAN
A. Gambaran Umum Lokasi Penelitian .................................................. 36
B. Deskripsi Data ................................................................................. 37
C. Hasil Penelitian ............................................................................. 38
D. Pembahasan .................................................................................... 55

BAB V KESIMPULAN DAN SARAN
A. Kesimpulan .................................................................................... 57
B. Saran ............................................................................................... 59
