BAB I Pendahuluan ......................................................... 1
1.1 Latar Belakang Masalah .................................................. 1
1.2 Identifikasi Masalah ....................................................... 5
1.3 Batasan Masalah ............................................................. 5
1.4 Rumusan Masalah .......................................................... 5
1.5 Tujuan Penelitian ........................................................... 6
1.6 Manfaat Penelitian .......................................................... 6

BAB II Kajian Teoritis ........................................................ 7
2.1 Kerangka Teoritis ............................................................ 7
2.1.1 Pengertian Belajar ......................................................... 7
2.1.2 Pengertian Hasil Belajar ............................................... 9
2.1.3 Tujuan Pendidikan dan Hasil Belajar ............................... 11
2.1.4 Faktor – faktor yang Mempengaruhi Hasil Belajar .............. 12
2.1.5 Pengertian Minat Baca .................................................. 14
2.1.6 Faktor yang Mempengaruhi Minat Baca ......................... 17
2.1.7 Perpustakaan Sekolah .................................................... 21
2.1.8 Tinjauan Tentang Karakteristik Siswa Kelas V SD ............. 23
2.2 Kerangka Berpikir .......................................................... 24
2.3 Hipotetis Penelitian ........................................................ 26
2.4 Penelitian yang Relevan ................................................... 26
BAB III Metode Penelitian ........................................................... 28

3.1 Jenis Penelitian ...................................................................................... 28

3.2 Populasi dan Sampel Penelitian ............................................................ 28

3.1.2 Populasi ........................................................................................ 28

3.2.2 Sampel .......................................................................................... 29

3.3 Variabel Penelitian dan Defenisi Operasional ....................................... 29

3.3.1 Variabel Penelitian ....................................................................... 29

3.3.2 Defenisi Operasional .................................................................... 29

3.4. Desain Penelitian .................................................................................. 30

3.5. Teknik Pengumpulan Data ................................................................... 31

3.5 Instrumen Penelitian .............................................................................. 32

3.5.1 Kisi-Kisi Instrumen ...................................................................... 32

3.5.2 Uji Coba Instrumen ...................................................................... 34

3.5.3 Uji Validitas ................................................................................. 34

3.5.4 Uji Reabilitas ................................................................................ 35

3.6 Teknik Analisis Data ............................................................................. 36

3.7 Lokasi dan Jadwal Penelitian .............................................................. 38

BAB IV HASIL PENELITIAN DAN PEMBAHASAN .................... 39

4.1 Deskripsi Penelitian ............................................................................... 39

4.1.1 Persiapan Pengumpulan Data ........................................................ 39

4.1.2 Pelaksanaan Pengumpulan Data .................................................... 39

4.2 Deskripsi Hasil Uji Coba Instrumen Penelitian ..................................... 39

4.2.1 Uji Validitas Instrumen Angket .................................................... 41

4.2.2 Hasil Uji Reabilitas ...................................................................... 42

4.3 Deskripsi Data Hasil Penelitian ............................................................. 43

4.3.1 Data Minat Membaca di Perpustakaan ........................................ 43

4.3.2 Data Hasil Belajar ......................................................................... 44

4.3.3 Pengujian Korelasi Antar Variabel ............................................... 45

vi
4.3.4 Uji Keberartian Koefisien Korelasi ......................................................... 49

4.4 Pembahasan Hasil Penelitian ................................................................. 50

BAB V PENUTUP .......................................................................................... 52

5.1 Kesimpulan ............................................................................................ 52

5.2 saran ....................................................................................................... 52
