

## ACKNOWLEDGEMENTS

Praise the Lord, the Almighty, the Wonderful, the Amazing and the Merciful Lord Jesus Christ, for granting me the blessing and opportunity of attaining a higher education. It was only through His supernatural guidance, wisdom, love and blessing that I was able to manage this process when it became overwhelming at times.

This thesis would not have been possible without the guidance, the support and the help of several individuals who contributed and extended their valuable assistance in the completion of this study. Now, it is her pleasure to thank everyone who has been supporting and assisting the writer in the completion of this thesis.

First and foremost, her utmost gratitude is extended to her honorable advisors Prof. Dr. Lince Sihombing, M.Pd and Dr. Eddy Setia, M.Ed TESP who had given her their excellent suggestions, guidance, advices, patience and precious time in completing and correcting this thesis.

She owes her deepest gratitude to all of her examiners Dr. Didik Santoso M.Pd, Prof. Dr. Busmin Gurning and Dr. Sri Minda Murni M.S who had given their excellent comments and suggestions in order to make this thesis becomes perfect.

She would like to acknowledge the head of English Applied Linguistic Study Program, Prof. Dr. Busmin Gurning, M.Pd for his management and administrative help. Special thanks go to all the lecturers, for sharing their valuable knowledge, experience and lesson to her during her academics years.
