Dear Dr. Diky Setya Diningrat,

I hope you will receive this email with good health.

Thanks for being registered with Science Alert online manuscript submission and peer review service that helps to submit articles to more than 150 peer reviewed journals with one account.

Science Alert encourages all authors to register for a LiveDNA ID and associate it with their Science Alert account.

LiveDNA is a unique and persistent identifier that distinguishes you from every other researcher and connects you to your research activities, so you can always get the credit for your work.

Your current Science Alert profile status is as “non-registered member”. To register your LiveDNA we need the most recent copy of your CV immediately, so that we may get your CV data inputted into your account as early as possible and update your Science Alert profile.

Your quick response would be highly appreciated.
Dear Dr. Diky Setya Diningrat

This is with regard to your submitted manuscript, 86564-IJP-ANSI, titled Antimicrobial Profile of Prunus pubescens. Blume and Centella asiatica Extracts Against Bacteria and Fungi Pathogens, submitted to International Journal of Pharmacology on August 09, 2017 for consideration as a Research Article.

The above mentioned manuscript has been finally accepted by the Reviewer for publication in International Journal of Pharmacology as Research Article. You may download the final acceptance letter after logging in to your account with User ID dikysetyadiningrat@gmail.com.

Before we can continue with final production, it is mandatory to pay Article Processing Charges. Articles published in our journals are open access and freely available online, immediately upon publication. This is made possible by an article-processing charge (APC) that covers the range of publishing services we provide. This includes provision of online tools for editors and authors, article production and hosting with abstracting and indexing services, and customer services. The APC, payable when your manuscript is editorially accepted and before publication, is charged to either you, or your funder, institution or employer.

You may download the invoice after logging in to your account with User ID: dikysetyadiningrat@gmail.com.

If you have forgotten your password, you may retrieve your password from the following link by providing your User ID: dikysetyadiningrat@gmail.com.
