BAB I PENDAHULUAN ....................................................................................... 1
  1.1 Latar Belakang Masalah ......................................................................... 1
  1.2 Identifikasi Masalah ............................................................................ 5
  1.3 Batasan Masalah ..................................................................................... 6
  1.4 Rumusan Masalah .................................................................................. 6
  1.5 Tujuan Penelitian ................................................................................ 6
  1.6 Manfaat Penelitian ............................................................................... 7
    1.6.1 Manfaat Teoritis ......................................................................... 7
    1.6.2 Manfaat Praktis ............................................................................ 7

BAB II KAJIAN PUSTAKA ................................................................................. 8
  2.1 Kajian Teoritis ...................................................................................... 8
    2.1.1 Pembelajaran ................................................................................ 8
      2.1.1.1 Pengertian Pembelajaran ................................................. 8
      2.1.1.2 Pengertian Pembelajaran Daring ..................................... 9
      2.1.1.3 Manfaat Pembelajaran Daring ....................................... 10
      2.1.1.4 Tujuan Pembelajaran Daring ......................................... 12
      2.1.1.5 Karakteristik atau Ciri-ciri Pembelajaran Daring .......... 13
    2.1.1.6 Kesulitan Pembelajaran Daring ..................................... 16
  2.2 Penelitian Relevan ............................................................................... 19
  2.3 Kerangka Berpikir ................................................................................. 21

BAB III METODE PENELITIAN ..................................................................... 23
  3.1 Jenis penelitian .................................................................................... 23
  3.2 Tempat dan Waktu Penelitian ............................................................. 23
3.3 Populasi dan Sampel ..............................................................24
  3.3.1 Populasi ..............................................................24
  3.3.2 Sampel ..............................................................24
3.4 Prosedur Penelitian ..........................................................27
3.5 Definisi Operasional Variabel .........................................28
3.6 Instrumen dan Teknik Pengumpulan Data .......................28
  3.6.1 Instrumen Penelitian .............................................28
  3.6.2 Teknik Pengumpulan Data .....................................32
3.7 Validitas Instrumen Angket ...............................................32
3.8 Teknik Pengujian Instrumen ...........................................33
  3.8.1 Uji Validitas .......................................................33
  3.8.2 Uji Reliabilitas ..................................................34
3.9 Teknik Analisis Data ..........................................................36
3.10 Jadwal Pelaksanaan Penelitian ......................................37

BAB IV HASIL DAN PEMBAHASAN .........................................38
  4.1 Analisis Hasil Penelitian ..................................................38
    4.1.1 Analisis kesulitan mahasiswa dalam pembelajaran daring .........38
  4.2 Pembahasan ........................................................................48
  4.3 Keterbatasan Penelitian ....................................................55

BAB V KESIMPULAN DAN SARAN ........................................57
  5.1 Kesimpulan .........................................................................57
  5.2 Saran ...................................................................................58
