

## ACKNOWLEDGEMENT

First of all, the writer like to thank to Jesus Christ for His blessing and great plan in her life, especially in completing this thesis. The writer realizes that nothing can be obtained this far without his help.

The writer would like to give special appreciation to her father for giving endless support, love and care that writer realizes that without his prayer, she cannot run the study process well. This thesis is especilly dedicated to him since the writer's purpose to enter thos postgraduate school is grounded to reasons that his happiness and prestigave is everything in her life.

This thesis, in its present could not have been writtem about the assistance and imputs from those who dersve a special appreciation. The writer would like to axpress her appreciation. First, Prof,Dr. Lince Sihombing, M.Pd for her encouragement thesis, valuable inputs in the process of writing and comments in the cintents and style of eriting that have helped to shape this thesis. The writer realizes that there are still many more to be mastered. second, Dr. Anni Holila pulungan, M.Hum, for being aadviser, all at once as best friend who gives good advices, supports, love and care. the writer is very thnkful fir her presence in the process starts from discussing process, thesis seminar proposal till the green table. The writer would also like to say many thanks to head of English Applied Linguistics of State University of Medan, Prof, Dr. Busmin Gurning, M.Pd and Dr. Sri Minda Murni, M.S as the secretary of the English Applied Linguistics for Letting all the process in completing her master degree study administratively. Her appreciation falls also to bang Farid helping the wruter administratively in English

Applied Linguistics Program during the completion of the process in taking her master degree.

Her never ending thanks also for her fiance Afrizal Franky M Damanik for giving love and support that the writer realizes that he is also great motivation in completing the thesis.

Her great appreciation falls to her young sister Citra Angelia Hutabarat for giving her so much love and care when the writer feels weak sick that she is always with her giving great encouragement. And also great appreciation falls to her big family especially to ban David Hutabarat, Kak Ika Nainggolan, Johannes Hutabarat and Chritofor or Tito Hutabarat.

The writer also would like to extend her sincere thanks to her best friend Moses Meliala Sembiring who also takes Master degree in State University of Medan taking English Applied Linguistics yearly 2014. Without his help and encouragement, this thesis would not be like its presence. The writer also would like to thank to her partner in workplace; ka Diana, Bang Praja, rida, Dara, Janter and bang Salmen for giving her support and care.

The writer also gives appreciation to edak Miranda and Kartika for always being best friend every time she needs for making her comfortable when she thinks to give up, thank you for being in my side up and down, hopefully we can succeed together in workplace and our family. The writer would like to give thanks to her partner and best friend in completing the process to get her Master degree step by step together, gawe lin, Kresna and Noya.

Finally, the writer must admit that the content of this thesis is still far from being perfect, but she warmly welcomes any constructive idea and critics that will improve the quality of the thesis. She also hopes this thesis would be useful for those who read it, especially majoring in English.

Medan, September 2015
