Please bear with us if we take a little longer than usual to get a decision to you.

Equally, we ask that you let us know if you need additional time at any stage of the process, especially if revisions are requested. Our system will continue to remind you of the original timelines for resubmissions, but these can be adjusted. Such requests should usually be made by the corresponding author, but this designation can be changed if so required.

Wishing you and your colleagues good health,
