BAB I. PENDAHULUAN ................................................................ 1

1.1. Latar Belakang Masalah .......................................................... 1

1.2. Identifikasi Masalah .............................................................. 5

1.3. Pembatasan Masalah ............................................................. 5

1.4. Rumusan Masalah ................................................................ 6

1.5. Tujuan Penelitian .............................................................. 6

1.6. Manfaat Penelitian ............................................................. 7

BAB II. KAJIAN PUSTAKA .......................................................... 8

2.1. Kerangka Teori ................................................................. 8

2.1.1 Pecking order theory ......................................................... 8

2.1.2 Likuiditas ........................................................................... 9

2.1.2.1 Faktor-faktor yang mempengaruhi likuiditas .............. 11
2.1.3 Perputaran Persediaan ........................................... 12
2.1.4 Perputaran Piutang ..................................................... 13
2.1.5 Profitabilitas .......................................................... 16
2.1.6 Return Spread ........................................................ 17
2.2 Penelitian Terdahulu ..................................................... 19
2.3 Kerangka Berpikir ....................................................... 22
2.4 Hipotesis ................................................................. 25

BAB III. METODE PENELITIAN ........................................... 27

3.1 Lokasi dan Waktu Penelitian ........................................ 27
3.2 Populasi dan Sampel ..................................................... 27
3.3 Variabel Penelitian dan Defenisi Operasional ..................... 28
  3.3.1 Variabel Penelitian .................................................... 28
  3.3.2 Defenisi Operasional ................................................. 29
3.4 Teknik Pengumpulan Data ............................................. 30
3.5 Teknik Analisis Data .................................................... 31
  3.5.1 Analisis Regresi Berganda .......................................... 31
  3.5.2 Uji Asumsi Klasik .................................................... 32
  3.5.3 Uji Hipotesis .......................................................... 34
    3.5.3.1 Uji Parsial (Uji T) ............................................. 34
    3.5.3.2 Uji Simultan (Uji F) ............................................ 34
  3.5.4 Koefisien Determinasi ($R^2$) .................................... 35
BAB IV. HASIL PENELITIAN DAN PEMBAHASAN ................. 36

4.1.Hasil Penelitian ........................................................................................................ 36

4.1.1. Gambaran Umum Sampel .............................................................................. 36

4.1.2. Hasil Analisis Data .......................................................................................... 39

   4.1.2.1 Uji Asumsi Klasik ...................................................................................... 39

   4.1.2.2 Analisis Regresi Linier Berganda ............................................................... 44

   4.1.2.3 Pengujian Hipotesis ................................................................................... 47

   4.1.2.4 Koefisien Determinasi ............................................................................... 50

4.2.Pembahasan Hasil Penelitian .............................................................................. 51

BAB V. KESIMPULAN DAN SARAN ................................................................. 55

5.1.Kesimpulan ............................................................................................................. 56

5.2.Saran ....................................................................................................................... 57
