LEMBAR PERSETUJUAN PEMBIMBING.................................................. i

ABSTRAK................................................................. ii

ABSTRACT................................................................. iii

KATA PENGANTAR........................................................ iv

DAFTAR ISI................................................................. vii

DAFTAR TABEL............................................................. x

DAFTAR GAMBAR........................................................ xi

DAFTAR LAMPIRAN......................................................... xii

BAB I PENDAHULUAN....................................................... 1

1.1 Latar Belakang Masalah................................................. 1
1.2 Identifikasi Masalah.................................................... 7
1.3 Pembatasan Masalah.................................................... 7
1.4 Rumusan Masalah...................................................... 7
1.5 Tujuan Penelitian....................................................... 8
1.6 Manfaat penelitian..................................................... 8

BAB II KAJIAN PUSTAKA.................................................. 10

2.1 Kerangka Teoritis...................................................... 10
2.1.1 Agency Theory .................................................. 10
2.1.2 Pecking Order Theory........................................ 13
2.1.3 Nilai Perusahaan ............................................... 14
2.1.4 Struktur Kepemilikan........................................ 21
2.1.5 Kebijakan Hutang............................................... 25
2.1.6 Kebijakan Dividen............................................. 30
2.2 Penelitian Terdahulu................................................ 35
2.3 Kerangka Berpikir................................................... 39
2.4 Hipotesis ........................................................................................................ 43

BAB III METODOLOGI PENELITIAN ................................................................. 45

3.1 Lokasi dan Waktu Penelitian ........................................................................... 45
3.2 Populasi dan Sampel ......................................................................................... 44
3.3 Variabel Penelitian dan Definisi Operasional ................................................ 46
   3.3.1 Variabel Penelitian .................................................................................. 46
   3.3.2 Definisi Operasional ............................................................................. 47
3.4 Teknik Pengumpulan Data .............................................................................. 48
3.5 Teknik Analisis Data ......................................................................................... 49
   3.5.1 Uji Asumsi Klasik ................................................................................ 49
   3.5.2 Analisis Regresi Linier ......................................................................... 51
   3.5.3 Pengujian Hipotesis ............................................................................. 53
      a. Koefisien Determinasi ........................................................................... 53
      b. Uji Statistik t (t-test) ............................................................................. 53
      c. Uji Simultan F (f test) ......................................................................... 54

HASIL DAN PEMBAHASAN .............................................................................. 55

4.1 Hasil Penelitian ............................................................................................... 55
   4.1.1 Gambaran Umum Sampel .................................................................... 55
   4.1.2 Data Variabel Penelitian ..................................................................... 56
   4.1.3 Hasil Pengujian Data .......................................................................... 66
      4.1.3.1 Uji Asumsi Klasik ........................................................................ 66
         1. Uji Normalitas .................................................................................... 66
         2. Uji Multikolinearitas ........................................................................ 71
         3. Uji Heterokedastisitas .................................................................... 72
   4.1.4 Analisis Regresi Linier .......................................................................... 73
      4.1.4.1 Analisis Regresi Sederhana ............................................................... 73
      4.1.4.2 Analisis Regresi Berganda ............................................................... 77
   4.1.5 Uji Koefisien Determinasi R2 ................................................................ 78
   4.1.6 Pengujian Hipotesis Penelitian ............................................................... 79
4.1.6.1 Uji t
4.1.6.2 Uji F
4.2 Pembahasan Penelitian

BAB V KESIMPULAN DAN SARAN

5.1 Kesimpulan
5.2 Keterbatasan Penelitian
5.3 Saran
