DAFTAR GAMBAR

Gambar 2.1  Proses Komunikasi ........................................................................... 15
Gambar 2.2  Tampilan Jendela New Power Point ................................................. 26
Gambar 2.3  Meng-Ekstrak File Hasil Download .................................................. 29
Gambar 2.4  Membuka File Livewire ..................................................................... 29
Gambar 2.5  Tampilan Livewire Saat Awal Dibuka ................................................. 30
Gambar 2.6  Fungsi Toolbar .................................................................................. 30
Gambar 2.7  Tampilan Pemilihan Komponen ......................................................... 33
Gambar 2.8  Gallery ............................................................................................... 33
Gambar 2.9  Cell Properties ..................................................................................... 34
Gambar 2.10 Tampilan Macromedia Flash 8 .......................................................... 35
Gambar 2.11  Susunan dan Simbol Dioda Semikonduktor ...................................... 37
Gambar 2.12  Dioda Penyearah ............................................................................ 38
Gambar 2.13  Simbol Dan Struktur Dioda ............................................................... 39
Gambar 2.14  Dioda Dengan Bias Maju ................................................................. 39
Gambar 2.15  Dioda Dengan Bias Negatif .............................................................. 40
Gambar 2.16  Grafik Arus Dioda ............................................................................ 41
Gambar 2.17  Arus DC Melalui Dioda ..................................................................... 41
Gambar 2.18  Rangkaian Penyearah Setengah Gelombang ..................................... 42
Gambar 2.19  Rangkaian Penyearah Gelombang Penuh ........................................ 42
Gambar 2.20  Rangkaian Penyearah Gelombang Penuh ........................................ 43
Gambar 2.21  Bentuk dan Simbol SCR ................................................................. 44
Gambar 2.22  Penyulutan SCR Dengan Sumber DC ............................................. 44
Gambar 2.23  Bentuk Dan Simbol Dioda Zener ...................................................... 45
Gambar 2.24  Rangkaian Dasar Dioda Zener ......................................................... 46
Gambar 3.1  Tahapan Pelaksanaan Penelitian ......................................................... 53
Gambar 3.2  Tampilan Awal ................................................................................... 55
Gambar 3.3  Tampilan Menu Home ....................................................................... 56
Gambar 3.4  Tampilan Menu SK/KD ...................................................................... 56
Gambar 3.5  Tampilan Menu Profil  ................................................................. 57
Gambar 3.6  Tampilan Menu Petunjuk  ............................................................ 58
Gambar 3.7  Tampilan Menu Materi  ................................................................. 60
Gambar 3.8  Tampilan Simulasi Livewire  .......................................................... 60
Gambar 3.9  Tampilan Menu Video  ................................................................. 61
Gambar 3.10  Tampilan Menu Latihan  .............................................................. 62
Gambar 3.11  *Flowchart Media Karakteristik Dioda Reverse*  ......................... 66
Gambar 3.12  *Flowchart Media Karakteristik Dioda Forward Bias* ................... 67
Gambar 3.13  *Flowchart Media Zener* .............................................................. 68
Gambar 3.14  *Flowchart Media SCR* ............................................................... 69
Gambar 3.15  *Flowchart Media Penyearah ½ Gelombang*  ............................ 70
Gambar 3.16  *Flowchart Media Penyearah Gelombang Penuh*  ....................... 71
Gambar 4.1  Tampilan Menu Utama yang Selesai Dibangun  ............................ 82
Gambar 4.2  Tampilan Menu Petunjuk Penggunaan  ........................................ 83
Gambar 4.3  Tampilan Menu Petunjuk Penggunaan  ........................................ 84
Gambar 4.4  Tampilan Menu Materi  ................................................................. 86
Gambar 4.5  Tampilan Menu Animasi  ............................................................... 87
Gambar 4.6  Tampilan Menu Simulasi *Livewire*  ............................................. 88
Gambar 4.7  Tampilan Menu Latihan  ................................................................. 89
Gambar 4.8  *Chart Penilaian Ahli Media* ........................................................ 91
Gambar 4.9  *Chart Penilaian Ahli Materi* ....................................................... 92
Gambar 4.10  Chart Pengujian I (Kelas Kecil) Terhadap *User* ......................... 97
Gambar 4.11  Chart Pengujian II Terhadap *User* ........................................... 101
