DAFTAR GAMBAR

Gambar 1 : Kerucut Pengalaman Dale .......................................................... 16

Gambar 2 : Model Desain Pemelajaran ADDIE ......................................... 20

Gambar 3 : Resistor .................................................................................. 23

Gambar 4 : Ampere Meter .......................................................................... 25

Gambar 5 : Volt Meter ................................................................................ 25

Gambar 6 : Ohm-Meter .............................................................................. 26

Gambar 7 : Multi-meter digital dan analog ................................................. 26

Gambar 8 : Storyboard Media Pemberajaran ............................................. 35

Gambar 9 : Desain Tampilan Awal Media .................................................. 35

Gambar 10 : Desain Tampilan Masuk .......................................................... 36

Gambar 11 : Desain Menu Pilihan .............................................................. 36

Gambar 12 : Desain Tampilan Petunjuk ...................................................... 37

Gambar 13 : Desain Tampilan Penulis ......................................................... 38

Gambar 14 : Desain Tampilan KD/Tujuan .................................................... 38

Gambar 15 : Desain Menu Tujuan ............................................................... 39

Gambar 16 : Desain Tampilan Materi ........................................................ 40

Gambar 17 : Desain Tampilan Test ............................................................ 40

Gambar 18 : Tampilan menu beranda ........................................................ 51

Gambar 19 : Tampilan menu petunjuk penggunaan .................................... 52
Gambar 20 : Tampilan menu tujuan pembelajaran........................................53
Gambar 21 : Tampilan menu petunjuk penggunaan....................................54
Gambar 22 : Tampilan menu materi belajar ..............................................54
Gambar 23 : Tampilan menu materi resistor ..............................................55
Gambar 24 : Tampilan materi resistor ......................................................55
Gambar 25 : Tampilan menu materi resistor ..............................................56
Gambar 26 : Tampilan materi resistor ......................................................56
Gambar 27 : Tampilan menu materi Induktor ..........................................57
Gambar 28 : Tampilan materi induktor .....................................................57
Gambar 29 : Tampilan Menu Avometer ....................................................58
Gambar 30 : Tampilan Materi Avometer ..................................................58
Gambar 31 : Tampilan menu soal pilihan berganda ..................................59
Gambar 32 : Tampilan Soal Pilihan Berganda .........................................59
Gambar 33 : Grafik Hasil Validasi Ahli Media .........................................62
Gambar 34 : Grafik Hasil Validasi Ahli Materi .......................................64
