DAFTAR ISI

ABSTRAK .........................................................................................i
KATA PENGANTAR ........................................................................ ii
DAFTAR ISI ................................................................................... v
DAFTAR TABEL .............................................................................. vii
DAFTAR GAMBAR .......................................................................... viii
DAFTAR LAMPIRAN ....................................................................... ix

BAB I : PENDAHULUAN

1.1 Latar Belakang .................................................................1
1.2 Identifikasi masalah .....................................................6
1.3 Batasan Masalah .............................................................6
1.4 Rumusan Masalah .........................................................7
1.5 Tujuan Penelitian .........................................................7
1.6 Manfaat Penelitian .......................................................8

BAB II : KAJIAN TEORI

2.1 Konsep Komunikasi Orang Tua .................................9
    a. Pengertian Komunikasi .............................................9
    b. Jenis komunikasi ......................................................10
    c. Proses Komunikasi ..................................................11
    d. Teknik Komunikasi ..................................................12
    e. Teknik Komunikasi Orang Tua Dalam Keluarga ......12
    f. Komunikasi Verbal Orang Tua Dalam Keluarga .......16
2.2 Perkembangan Berbahasa Anak ..............................17
2.3 Kerangka Konseptual .................................................20
2.4 Hipotesis ................................................................. 21

BAB III : METODE PENELITIAN

3.1 Jenis Penelitian................................................................. 22
3.2 Populasi dan Sampel.......................................................... 22
3.3 Variabel Penelitian dan Defenisipenelitian......................... 23
3.4 Teknik Pengumpulan Data...................................................... 24
3.5 Pengujian Intrumen ............................................................. 26
   a. Uji Validitas................................................................... 26
   b. Reliabilitas.................................................................... 27
3.6 Teknik Analisis Data ............................................................. 28
3.7 Lokasi dan Waktu Penelitian ................................................. 29

BAB IV : HASIL PENELITIAN DAN PEMBAHASAN

4.1 Gambaran Umum Lokasi Penelitian .................................... 31
4.2 Deskripsi Hasil Penelitian...................................................... 31
4.3 Koefisien Korelasi Antar Variabel ........................................ 33
4.4 Pengujian Hipotesis ............................................................. 34
4.5 Pembahasan ................................................................. 34

BAB V : KESIMPULAN DAN SARAN

5.1 Kesimpulan ................................................................. 36
5.2 Saran.................................................................................. 37

DAFTAR PUSTAKA .................................................................... 38

LAMPIRAN ........................................................................... 41
