DAFTAR TABEL

Tabel 1 : Langkah-langkah pembelajaran STAD ........................................... 12
Tabel 2 : Kriteria Keberhasilan ................................................................. 34
Tabel 3 : Waktu Pelaksanaan Penelitian ................................................... 35
Tabel 4 : Daftar Nilai Siswa Saat Tes Awal ............................................. 37
Tabel 5 : Presentase Hasil Belajar Tes Awal ............................................ 40
Tabel 6 : Daftar Nilai Siswa Saat Belajar Siklus I ..................................... 46
Tabel 7 : Presentase Hasil Belajar Siklus I ............................................... 49
Tabel 8 : Hasil Belajar Siklus II ................................................................. 55
Tabel 9 : Presentase Hasil Belajar Siklus II ............................................. 58
Tabel 10: Daftar Nilai Siswa Tes Awal, Siklus I, dan Siklus II .............. 60
Tabel 11: Rekapitulasi Hasil Belajar ....................................................... 61
Tabel 12: Peningkatan Presentase Siswa ............................................... 62
