

### LIST OF FIGURE

Figure 2.1 Instructional and Nurturant effect; Inquiry Training Model	18
Figure 2.2 Conservation of Momentum	28
Figure 2.3 Collision	29
Figure 3.1 The overview of research planning	38
Figure 4.1 Column Diagram Pre test value from data in Experiment Class and Control Class	51
Figure 4.2 Normal Distribution of Pretest In experiment Class	52
Figure 4.3 Normal Distribution Of Pretest In Control Class	53
Figure. 4.4 Column Diagram Post test from value data in Experiment Class and Control Class	55
Figure 4.5 Normal Distribution of Postest In Experiment Class	56
Figure 4.6 Normal Distribution of Postest In Experiment Class	57
Figure.4.7.Coloum diagram of student percentage can answer every category	59
Figure.4.8.Coloum diagram of student activity average	60
